

(c) If the total offers received by the Council from the exporting and importing countries to increase their guaranteed quantities under (a) of this paragraph or to reduce their guaranteed quantities under (b) of this paragraph exceed the amount of the guaranteed quantity of which the reporting country is relieved, their guaranteed quantities shall, unless the Council decides otherwise, be increased or reduced, as the case may be, on a pro rata basis, provided that the increase or reduction of the guaranteed quantity of any such country shall not exceed its offer.

(d) If the amount of the guaranteed quantity of which the reporting country is relieved cannot be fully offset in the manner provided in (a) and (b) of this paragraph, the Council shall reduce the guaranteed quantities in Annex A to Article III, if the reporting country is an exporting country, or in Annex B to Article III, if the reporting country is an importing country, for the crop-year concerned by the amount necessary to make the total in the one Annex equal to the total in the other Annex. Unless the exporting countries, in the case of a reduction in Annex B, or the importing countries, in the case of a reduction in Annex A, agree otherwise, the reduction shall be made on a pro rata basis, account being taken of any reduction already made under (b) of this paragraph.

#### ARTICLE XI

##### *Increase of Guaranteed Quantities by Consent*

The Council may at any time, upon request by an exporting or importing country, approve an increase in the figures in one Annex for the remaining period of this Agreement if an equal increase is made in the other Annex for that period, provided that the exporting and importing countries whose figures would thereby be changed consent.

#### ARTICLE XII

##### *Additional Purchases in Case of Critical Need*

In order to meet a critical need which has arisen or threatens to arise in its territory, an importing country may appeal to the Council for assistance in obtaining supplies of wheat in addition to its guaranteed purchases. On consideration of such an appeal the Council may reduce pro rata the guaranteed quantities of the other importing countries in order to provide the quantity of wheat which it determines to be necessary to relieve the emergency created by the critical need provided that it considers that such emergency cannot be met in any other manner. Two-thirds of the votes cast by the exporting countries and two-thirds of the votes cast by the importing countries shall be required for any reduction of guaranteed purchases under this paragraph.
