Dear Sir Arthur,

I enclose a letter from Mr Wintenburg, of the Victoria Memorial Museum, Ottawa, Mr Wintenburg was here a short time ago and spent several days in examining the Hochelaga specimens. He regards them as of great importance and I think that his suggestions are worth serious consideration.

It might be a good thing to enquire if the Department of Anthropology would permit Mr Wintenburg to catalogue this material, in return for a certain number of duplicate specimens. He has promised to send us a copy of his notes made here.

yours faithfully

Ramsay Traquair
