

**Gage's New Topical English and Canadian
History Notes.**

This little Primer is prepared to cover the Public School History Course in English and Canadian History, and is printed so as to furnish a number of blank leaves to allow students to make additional notes. Price 25 cents.

Leading Features.

1. The Notes are arranged Topically under such headings as best indicate the True Growth of the nation.
2. The Progress of the People, the Struggle for Freedom, the Establishment of Representative Government, and the Development of Education, Literature and Religion, are given more prominence than wars.
3. The Colonial Extension of the British Empire is briefly outlined.
4. The whole History is Classified, so that the Relationships of the Great Upward Movement can be understood.
5. The arrangement of the Notes makes it Easy, Definite and Thorough Reviewing, perfectly simple without a teacher.
6. The Notes supply an Admirable Preparation for the study of larger histories, and the best means for Clearly Remembering what has been learned from them.
7. Ample space has been left for Additional Notes, to be written by the student.
8. The Notes can be used in connection with any History, and are intended to Stimulate the Further Study of the important subject with which they treat.

By the use of this Note Book
