H. H. Chisholm and R. Rennie are the only two local skips still undefeated in the Tankard and single ring controver sies, and it is among the possibilities that they will meet in the trophy final. Conditions were ideal yesterday for play in Tankard groups 4 and 13. Un-like in No. 3 there was not a close finish in semi-final or final.

Queen City and Newmarket proved the winners. In the finals Horace Thomson of the Scarboro Leafs tied with W. A. Brunton, but his running mate was hopelessly in the rear. Bob Rennie had 16 on Mose Hunter, and Bob Rice a margin of one on Geo. Duthie, this heing the latter's only defeat of the winter. He is in the semi-final in the single rinks.

Tem Shaw, the bookmaker well-known at the Woodbine, won \$30,000 on one race at Jacksonville last week. It was the biggest coup of the year. It hit several of the eastern bookmakers so hard that they wrapped up all that remained of their bankrolls and sadly started for New York. Shaw, who, when on the blick invited you in to get shaved, had \$2000 on a successful 15 to 1 shot, which won on the post, by a nose. A stride on the near side of the winning post, his merey was lost; but just as the imaginary finish line was reached the bearer of Shaw's hopes, to say nothing of his money, won.
