**\$14** 30 Saved on our regular prices, \$4.60. Saved on the average shoe dealer's prices, \$8.25.

Seven pairs of shoes for the price that father paid for one pair on King street. This lady was more fortunate than most widows-her husband left her \$7,000 insurance and a small bit of real estatebut her total income does not exceed \$550 a year.

She bought shoes for her family and saved \$8.25 by buying now at this sale—that's a saving of some moment on an income of \$550 a year.

This shoe sale is a strong combination for youthere are 40,000 pairs of shoes that you want and 40,000 pairs that we want to get rid of—there's profit for you in buying when you know that you get profitable shoes, on which the seller gets no profit.

We positively must turn this stock into moneyand that very soon.

But the harmless and necessary seal of plomacy, or defending a woman ac- (apologetically) that was a big success cused of a great crime (Mrs. Maybrick), or a weakling scion of a noble house in a divorce case (Earl Russell, teresting figure to Canadians that his—the prompt refusal to let legal quib-coming visit to Toronto naturally calls bles and the cobwebs of precedent ob-scure the Jameson case, is fresh in the American mind. but no relative), has been such an inhas been eventful, in the events of peace that are more famous

than those of war. A Notable Career. Lord Russell was born at Newry, Ireland, in 1833, and to this day he is a true son of the land of shamrocks, shillelahs and shindys. From Ireland he gets his love of defending the he gets his love of defending the weaker cause, his wit, his gift of elo-tates which had been in the family quence and his suavity of demeanor since Edward III. he changed his name to Crackanthorpe, Mr. and yet force in action which has upset many a smug witness, and, among others, brought Pigott, the Parnell case forger, on his knees, and sent him a predestined suicide away from Albion. Mr. Russell, as he was until 886, when he was knighted by Gladstone, and then Sir Charles sell, as he was up to 1894, when he was appointed in April to become one of the Lords of Appeal and received a life peerage from the Gladstone-Rosebery administration, was educated in Trinity College, Dublin, and began his professional career as a solicitor i Belfast. He was called to the Bar i London in 1859 and became Queen's and was in Parliament from 1880 1886, when he became Attorney-General in Mr. Gladstone's Cabinet, being the first Catholic who filled the post since the Reformation, and the sec and Irishman, Lord Cairns being the other. Such was his reputation at the Bar then that John Morley, in a speech, called him the "greatest advospeech, called him the "greatest advo-cate in England." When the Glad-New York, Aug. 24.—A special to The Herald from Frederick, Md., says a run-away trolley car, carrying more than 100 cate in England. When the stone Government returned to power in 1892 Sir Charles was again appointed Attorney-General. In the six years between the two administrations his private practice had been enormous amounting in all to an income of \$125,000 a year, and, aside from several causes celebre, he had reached the greatest height of his fame in the conduct of the trial of Parnell on the charges of The London Times. In this case his power as a cross-exam-

iner and his eloquence shone as never before and attracted as much atten-tion in this country as in Eng-land. In 1893 he was of counsel for Great Britain before the Behring Sea Tribunal, acting with Sir Richard Webster, who had been his opponent as counsel for The Times in the Parnell case. His speeches made in this case and his speeches on the Home Rule bill brought him a peerage just as Mr. Gladstone decided to give up the burden of the Liberal Pre
