BOARD OF EDUCATION DECIDES

TO ENLARGE HURON AFTER ALL

Forced to Fall Back on Original Plan—Summer Termers Awarded.

The enlargement of Huron-street school will probably be undertaken by the board of education, the property committee having yesterday declared in favor of the extension. It is about a year ago since tenders for the work were first called for, and the appropriation found to be below the figures offered by contractors. Later it was recommended by the board of education that a new school be put up in the neighborhood, but the board of control objected to the expense, and the trustees had to fall back on the original idea. Yesterday Trustee H. E. Smallpiece moved that the new building idea be abandoned and the present Huron-street school enlarged, and this was decided on.

The successful tenders for the different branches of summer work on the schools were as follows: Carpentering: W. Eaton, Dufferin, \$785; Givens, \$145; Glendon, \$729; McCaul, \$1499; Rose Victoria, \$567; Ryan, \$205; Sackville, \$155; Wellsville, \$135; Rose and Queen, \$215; Fern and Howard, \$185; Rosedale and Perth, \$125; total, \$4745. Fred Armstrong, Jameson-avenue, \$185; Grafting and sodding: W. J. Simons, Jarvis, \$105; Sackville, \$105; Victoria, Elizabeth, Borden, Grace, Harbord, Crawford, \$285; Plastering: E. Warren, Rosedale, \$24. The tender for carpentry at Dovercourt was given at the last meeting to E. Hollet, who wrote to explain he had meant his tender to be \$1625, instead of \$1025, as accepted. The contract was, therefore, awarded to E. Batho, whose tender was \$1575.

More Insurance on School. The financial committee of the board of education yesterday decided to take out a \$5000 builders' risk on Alexandra school, and to add another \$5000 when the work is completed.
