UNLUSHION, 7 TO 5, WINS EXPECTATION STAKES

Unfortunate Accident at Gravesend, in Which Jockey Langan Is Killed.

GRAVESSEND, June 2.—Unlusion, the 7 to 1 favorite, easily won the Expectation Stakes, five furlongs, for 2-year-olds at Gravesend to-day, defeating a fairly good field. Babler led by five lengths into the stretch, but here began to stop and Unlusion, coming fast, took the lead and won by three lengths. Little Fred Langan, a jockey, met an untimely end in the sixth race, when his mount fell in the home stretch and on the fall of the horse he died instantly. The race was for 2-year-olds and thirteen horses were sent away by the starter. Captain Langan, who was closely bunched, Warwick, with Butwell up, stumbled and fell, and Muff fell over the top rail. Immediately following was Langan on Stalwart Lad, and in a trice his mount had stumbled, and the body was catapulted into the air. Stalwart Lad toppled over on Langan, killing him. The horse died instantly, well bunched on the turn, and when the big crowd saw Warwick fall, a cry of dismay went up. Unlusion, coming fast, followed by another when Muff and Stalwart Lad tumbled over him, he won the race. Captain Langan was picked up and Langan never moved. Butwell had been injured, and he was taken to the hospital. Langan was unharmed, but he was taken to the hospital with a concussion of the brain. Langan was taken to the hospital with a concussion of the brain. Langan was taken to the hospital with a concussion of the brain.

LACROSSE GOSSIP. The two local N.L.U. teams, Tecumseh and Toronto, held their final workout last night in preparation for their game to-morrow at Montreal and Ottawa. The Indians will take 14 men to Montreal to play National Lacrosse. Kilmann, Green, Yeaman, Graydon, McKenzie, Ions, Felker, Querrie, McGee, Gilbert, Durkin, Robinson, McDonald and Reeves. It will be noticed that Rountree and Sport Minton are not included in the list to go down, they being left off for the simple reason that they failed to turn out to practice any night this week. Toronto are taking down the same team to Ottawa that defeated the Tecumseh last Saturday. "It is an even contest," declared Jimmy Murphy yesterday. "There is no reason why Tom O'Connell and Paddy Brennan should not handle the game in the same way they handled it handled when with the Shamrocks."

Ed. Bristol, M.P., Tells Conservative Gathering Will Be Mr. Borden. George H. Gooderham, M.L.A., and A. Claude Macdonell, M.P., were unable to address the Centre and South West York Conservative Association last evening, the latter being ill and the former, on account of the severe illness of his son, being absent. There was a good attendance, considering that it was a postponed meeting. President Arthur Van Koughnet was in the chair. Edmund Bristol, M.P., reviewed the political situation at Ottawa, and paid high tribute to Mr. Borden. "The Conservative party," he said, "has in R. L. Borden a leader of whom any party might well be proud, and I think that people are now beginning to appreciate him. He is a cultivated, educated, high-minded gentleman of the type of Asquith or Balfour in England, and is worthy of being charged with the task of guiding the destinies of the Conservative party. He will be Canada's next premier."

Threatened Nephew's Wife. PETERBORO, June 2.—(Special.)—County Police Magistrate Edmond this afternoon sentenced Harvey Windover, recently convicted of pointing a loaded rifle and threatening to shoot his nephew's wife, to one month in jail. FINE ANGLICAN CHURCH OPENED IN DEER PARK

Bishop Sweeney Formally Dedicates New Edifice—Cost \$23,000 and Will Seat 600. The remarkable progress attending the Anglican Church in the city and suburbs was clearly and beneficially shown last night when the magnificent edifice known as Christ Church in Deer Park, was formally thrown open for divine service. The occasion being marked by the presence of His Grace Bishop Sweeney and a large gathering of the clergy from the city and county. The church was dedicated to the Rev. Dr. Sweeney, who presided at the service. The church is a fine example of Gothic architecture, with a spire of red brick and stone, and a seating capacity of 600 and at an estimated cost of \$23,000, while the financial conditions are especially favorable, the outlook is of the very brightest. The old wooden structure, now superseded, was built in 1870 and opened one year later, while the school-house now removed was built in 1881, and a choir vestry added in 1888. During the pastorate of the present rector the church has made substantial and enduring progress and the number of communicants is to-day large and steadily increasing.

Associated with Bishop Sweeney on the platform last night were Rev. Canon Powell, St. Clement's Church, Eggleston; Rev. C. B. Darling, St. Mary Magdalene; Rev. Mr. Gibson of Thornhill; Rev. Mr. Farncomb, Rev. Mr. Jones of Weston, Rev. Mr. Crighton of St. Mary's, Dovercourt; Rev. Mr. Scott of Fairbank, Rev. Frank Vipond of St. Barnabas, Rev. Mr. Lamb of St. Catharine's and Rev. Mr. Lamb of St. Catharine's.

The church was beautifully decorated, the floral arrangements being especially artistic. Apart from the church proper the furnishings of a chaste and beautiful design, and all of which were dedicated during the evening by Bishop Sweeney, were donated by the following friends of the church: Altar, by the children of the late Mr. and Mrs. A. W. Baldwin; cross, by the same children; memory of the late Mr. and Mrs. Mabel Brown's class; readers, by family of Lewis A. Price; altar rails, by the children of James W. Brown of Forest Hill; sanctuary, by Mr. and Mrs. Corbould; choir screen, by the Women's Table Guild, and the brass lectern, by the Sunday School Anglican Young People's Association.

Being his address on Ephesians III, 2, "Ye served thine," Bishop Sweeney reminded his congregation that this day marked the virtual closing of an old chapter and the forerunner of a great and inspiring era. "Let not one of you be satisfied with the standards of the past," said his lordship; "we set to-day a higher standard than ever in the past. There is a glorious opportunity for you all to do a great work in this large and rapidly growing district," concluded Bishop Sweeney. The opening services will be continued next Sunday.

MAY GRANT THE INCREASE

Government Likely to Accede to Laborers at Parliament Buildings. "I see that some of the evening papers state that the architect had a conference with Hon. J. O. Reame, minister of public works, and myself in the morning with reference to an alleged strike of some of the laborers on the parliament buildings; also that recommendations have been made to the cabinet on this subject. "Nobody has interviewed me on this subject. I have heard that a strike is in progress, but officially the government has no knowledge whatever of it, and has taken no action." This statement was made by Sir James Whitney yesterday.

About 120 laborers are engaged on the new work at the parliament buildings, and in conformity with the general labor movement, have asked for an increase from 25c to 28c per hour. The late Robert Windor of Markham and Co. Limited, 115-117 King-st. west, Toronto, is bringing 700000 in exchange, large numbers of organs made by Bell, Morris, Karn, Dominion, Goodrich and other manufacturers. These have been thoroughly overhauled by expert workmen, making them good as new, and to-day, prior to removal to the new Yonge-street workrooms, they are being sold at prices from \$20 to \$75—a mere fraction of regular price—and in payments of 50 cents a week.

Bank of Commerce Meeting. MONTREAL, June 2.—The annual meeting of the shareholders will be held in the board room of the Canadian Bank of Commerce, St. James-street, Montreal, on Friday, June 11.

REV. W. W. SWEENEY ELECTED BY HAMILTON CONFERENCE

Methodists in General Session at Guelph—Reports and Proceedings of the First Day. GUELPH, June 2.—(Special.)—Upon the second ballot, and with 173 votes out of 267, the Rev. W. W. Sweeney of Toronto was elected president of the Hamilton Conference here this afternoon. Rev. A. I. Terryberry of Gilmara was elected secretary. The retiring president, Rev. W. J. Smith of Hamilton, led the devotional exercises and the retiring secretary, Rev. C. T. Bennett, read the scriptures. The Rev. R. W. Woodworth, H. Sweet of Brantford, Rev. Dr. W. J. Crothers and Rev. P. Moore of Acton, led in the prayers. Spontaneous applause greeted the appearance of H. H. Miller, M.P., of Ontario upon the platform. He is a delegate, and his popularity with the conference was due to the stand he had taken in parliament on the anti-gambling bill. As Joseph Miller expressed it, "for a moment, we were able to get the Grits or Tories, and admire the manly man who had the courage to do what he felt to be his duty."

A resolution of regret at the illness of Rev. Dr. Sutherland was moved by Rev. Dr. Crutcher of St. Catharines and E. Sweet of Brantford. The mover referred to Dr. Sutherland as English and while they prayed that God might spare him, they prayed that, if he should be taken, a suitable portion of his spirit might fall upon his assistant, Rev. T. E. E. Shore.

Rev. James Allen, general secretary of Home Missions, stated that the number of missions in several of the conferences had decreased, they becoming self-sustaining. In 1906, there were 12, the grants totaling \$250, while in 1910, there were three in the Hamilton Conference, with the grant only totalling \$85.

Since last general conference, \$26,269 emigrants had entered Canada, of which about 206,987 were English-speaking, and \$6,586 were Asiatic, who are under special care of the foreign mission department.

Edwin A. Sweet, Brantford, was elected president of Samuel Carter, elected vice-president, and Thos. S. Morris, Hamilton, secretary-treasurer of the Laymen's Missionary Association of the conference, which received reports showing an increase of 15 per cent. in the contributions to missions.

SAYS CHURCH SHOULD ENGAGE DETECTIVES

Magistrate Houston of Chatham Has Novel Ideas on Enforcement of Moral Reform. CHATHAM, June 2.—(Special.)—Fully 300 delegates attended the convention of the Western Association of Baptist Churches in this city to-day. A. McNece of Windsor gave an instructive talk on western missions, followed by a convention of moral and social reform, conducted by Rev. Dr. Hughson of Windsor. He pointed out that the church is not doing her part in this movement, and he advocated the institution of local option campaigns under the direct charge of the church. Magistrate Houston of this city presented a resolution that the police should be outside of church work, but moral and social reform should be a direct part of the duties of the church, and that the government be petitioned to amend the laws of the country to make an indictable offence of gambling on all modes of conveyances, including vessels and trains, and that the association take seriously into consideration the fact that they are largely responsible for the character of the representatives in parliament. He also advocated the engaging of detectives by the church to enforce the laws of social and moral reform. The following were elected: new officers: Moderator, M. Houston, Chatham; treasurer, H. Monroe, Wallaceburg; clerk, R. T. Roberts of Cleveland.
