BOWMANVILLE, December 22nd, 1874.

To the Manager of the Dominion Organ Company.

GENTLEMEN,—I have much pleasure in testifying to the excellent qualities of the Organ supplied by you at my Concert last Saturday evening. The tone is sweet and very powerful, and the combination of stops most admirable. I am sure your Instruments will find favor in Churches, as they are singularly adapted for sacred music. Wishing you every success, and that the public may receive entire satisfaction.

I remain, Gentlemen, very respectfully,

ROSA D'ERINA.
