The regular course of instruction will consist of Four Sessions of eight months each, commencing September 30th.

There will be a distinct and separate course for each of the four years.

The lectures and demonstrations in the subjects of the First and Second years will be given in the Biological Laboratory and the lecture-rooms of the University.

Lectures and demonstrations in the subjects of the Third and Fourth years will be given in the building of the Medical Faculty, corner of Gerrard and Sackville Streets.

To meet the requirements of the Ontario Medical Council a course of instruction during a fifth year will be conducted. This will be entirely optional as far as the University of Toronto is concerned.

Clinical Teaching (largely bedside) in the Toronto General Hospital, Burnside Lying-in Hospital, St. Michael's Hospital, Hospital for Sick Children, and other medical charities of Toronto.

R. A. REEVE, B.A., M.D.,
Dean.

A. PRIMROSE, M.B.,
