A certain companies promoter once built a castle on a mountain peak. As he showed the grey, medieval looking pile to a friend he said—"I don't know what to call it. What name do you advise?" "It looks like those Scottish castles in the Highlands," said the friend. "Why not call it Dunrobin?" "Dunrobin? Dunrobin? Yes, that would be a good name," said the millionaire. "Only you see, I have no intention of retiring yet."

## Grippe a Robber of Strength and Flesh

Run Down, Underweight People Should Regain Lost Flesh and Strength At This Season.

People who have gone through winter suffering a succession of coughs, colds, grippe, catarrh or other ailments peculiar to cold weather, will probably be surprised if they climbed on a weighing scale, to see how much flesh they have lost. Most everyone reaches Spring with weight decreased, vitality lowered, nerves affected and general health and strength impaired.

The best way to regain lost flesh and strength is through the original source of all flesh and strength—your food. Food, said the millionaire, "only you see, I have no intention of retiring yet."

OWES HER LIFE TO  
"FRUIT-A-TIVES"Cured Both Stomach Trouble  
and Headaches

"Palmerston, Ont., June 20th, 1918. "I really believe that I owe my life to 'Fruit-a-tives.' Ever since childhood I have been under the care of physicians and have been paying doctors' bills. I was so sick and worn out that people on the street often asked me if I thought I could get along without help. The same old Stomach Trouble and distressing Headaches nearly drove me wild. Some time ago I got a box of 'Fruit-a-tives' and the first box did me good. My husband was delighted and advised a continuation of their use.

"Today I am feeling fine, and a physician meeting me on the street, noticed my improved appearance and asked the reason. I replied, 'I am taking Fruit-a-tives.' He said, 'Well, if Fruit-a-tives are making you look so well, go ahead and take them. They are doing more for you than I can.'"

"MRS. H. S. WILLIAMS." "Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50, trial size 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

The death of Mrs. Bayard, widow of Dr. Edwin Bayard, occurred yesterday at the home of her daughter, Mrs. Stewart A. Smith, Hampshire, England. She leaves one other daughter, Mrs. L. N. Pavan, also of England. Miss Ada V. Bayard of this city is a niece. Dr. Edwin Bayard was a brother of the late Dr. William Bayard and practiced in this city until after the great fire of 1877 when he removed to England. After his death Mrs. Bayard lived with her brother-in-law in St. John until the marriage of her daughter when she returned to England sixteen years ago. She was a native of St. Andrews.

Mrs. J. R. Patterson, Truro, and formerly Miss Sadie Hutchinson, of Rexton, N. B., died on April 8. Besides her husband, she leaves one son and one daughter, Mrs. R. L. Lennox, Sr., Moncton; Mrs. R. L. Lennox, Jr., Moncton; and Mr. and Mrs. W. H. Hutchinson, of Dawson City.

Yesterday in Moncton Edith L. Bauer, aged 11 years, daughter of Mr. and Mrs. Clarence Bauer, passed away. She leaves besides her parents, three brothers and two sisters.

"That's My  
Corn"

## What a Confession!

Something hits a shoe. There's a flash of pain, and the victim says, "That's my corn."

"My corn," pained and coddled for years, perhaps. It's as needless as dirty hands.

A Blue-jay plaster, applied in a jiffy, would end that pain instantly. And the B & B was that's in it would terminate the corn in two days.

No pain, no soreness, no inconvenience. The corn loosens and comes out. It disappears forever.

It's hard to prevent corns while having dainty feet. But it isn't hard to end them. A million corns a month are ended in this easy Blue-jay way. You do yourself injustice when you suffer from a corn.

Half your friends have proved this.

MANY CASES OF  
RHEUMATISM NOW

Says We Must Keep Feet Dry,  
Avoid Exposure and  
Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water, and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid.
