

THE EVENING TIMES-STAR, SAINT JOHN, N. B., SATURDAY, SEPTEMBER 4, 1926

HANNAH TO PITCH OPENING GAME HERE MONDAY WITH MONCTON

WALL IS LIKELY
CHOICE FOR THE
C. N. R. OUTFITWatermen Said Willing to
Meet Martellos in
Series Here

It is likely that Hannah Wall will pitch the opening game of the play-off series for the New Brunswick senior amateur baseball title here Monday afternoon against the Moncton outfit, according to Manager "Jimmy" McLeod this morning. The veteran, whose stout right arm has been chiefly instrumental in giving the Watermen their first Maritime championship last year, and who, with John Armstrong, has kept them in the race this year, is out to give the locals their first grip on the title, although all the team realizes that the Moncton bunch cannot be slighted and that they will give the Watermen some of the stiffest opposition they have encountered this year.

It is likely that Hannah Wall will pitch the opening game of the play-off series for the New Brunswick senior amateur baseball title here Monday afternoon against the Moncton outfit, according to Manager "Jimmy" McLeod this morning. The veteran, whose stout right arm has been chiefly instrumental in giving the Watermen their first Maritime championship last year, and who, with John Armstrong, has kept them in the race this year, is out to give the locals their first grip on the title, although all the team realizes that the Moncton bunch cannot be slighted and that they will give the Watermen some of the stiffest opposition they have encountered this year.

Back of Hannah figures a powerful team, smooth fielders and terrific catches when they get started. In A. Snodgrass, Gorman Armstrong and Corrigan, the Watermen have an infield on par with some of the best ever produced in this city. Unfortunately, they will be without the services of Armstrong, and Pierce will likely fill in the gap. In the outfield like Latham, Ed Snodgrass and Dick Bartlett covered a wide range of territory and all of them dependable in a pinch at the bat. Spies and Thomson behind the bat round out a team that will take quite a lot of opposition to overcome.

Monday's game starts at 8 o'clock and three umpires will likely handle it. The return game probably will be played in Moncton the latter part of next week.

RE MARTELOS DEFI

Regarding the deft of the Martellos to a series with the Watermen, it is learned that the Watermen are quite willing, but with the provincial series on their hands now, are wondering how the game can be fitted in. There is considerable speculation among the fans as to how the Martellos would shape up alongside the champions. As it is likely the fans will have the matter settled in a short time.

MARTELOS TO ROTHESAY.

The Martellos will play at Rothesay this afternoon at 2 o'clock. A good game is expected.

Along The Sport Trail

By JOHN J. DUNLOP

THE proposal to stage the Ross Memorial Cup Race in Courtney Bay on Saturday next has aroused considerable interest among rowing fans in the city and if arrangements are finally completed the event should be watched by one of the biggest crowds in the history of rowing in this section of the country for many years. It has been so long since Saint John was given the opportunity of seeing a sculling race that the citizens will jump at a chance to watch this one, particularly if efforts to secure the Halifax oarsman, O'Connell, are successful. The victories of Hilton Belyea, the veteran, and Ronald Ingraham, the youngster, at Digby, has served to revive interest in a sport that once held full sway in Saint John and which produced such fine oarsmen. Ingraham, experts say, is one of the most promising junior scullers to show in these parts for many a day and some go so far as to say he has the making of a Canadian champion in him with a few more years' experience. If such be the case, the more competition the better. He is likely to get lots of it in the Ross Cup race with O'Connell, Logan, McCavour and Belyea in it and the result might surprise some. A race between Belyea, Jack Ward and Harry Giggie, former Maritime champion, is also on the books and would provide some keen sport. Undoubtedly many difficulties in the way of holding these matches will arise but the sporting public of this city would thank the promoters to stick to their jobs until it was put through. Once get this sport started and it will gather momentum that will surprise even its backers. Inter-city rivalry also should be encouraged.

FOR the edification of boxing fans, Gene Tunney says he pronounces his name with the "t" sounded as in "top." Some of the boys have been calling him "Toney." If he don't beat Dempsey, his name might as well be mud to those who are backing him now.

THE famous proposal of Jack Dempsey, which was rebuffed and beatified by a plastic surgeon shortly after his last championship battle, is now 25 per cent. tougher than the one he had when he fought Willard and Firpo, according to Dr. William E. Balsinger, who performed the operation. The doctor resented a statement of a Viennese specialist who said that Dempsey's "parafine" nose might lose him his next fight. Dempsey's nose is not made of parafine, Dr. Balsinger said, but of fibre-cement cartilage taken from behind the left ear. This cartilage was resilient and tough, the doctor said, and strengthened the nose at least 25 per cent. Dempsey's synthetic nose is of Grecian design, and has been copied by many battered fighters, past and present. Jack Kearns, the title-holder's former manager, is one of many who would submit to Dr. Balsinger's scalpel for a nose "like Dempsey's."

FRANK SNYDER, the veteran catcher who was claimed by the St. Louis Cardinals from the New York Giants for the waiver price of \$4,000, has reported to St. Louis, but has refused to sign a contract unless promised his unconditional release at the end of the season. This promise the club has declined to make.

Pacer Does Fastest
Mile of The Season

SYRACUSE, N. Y., Sept. 3.—Anna Bradford's Girl, the pacing mare from the Arden Homestead Stable of Goshen, turned in the fastest mile of the year at the State Fair grounds here this afternoon, winning the Syracuse Hotel stake for 2.03 paces. With Will Dickinson in the sulky, the mare turned the second mile 1.59 1/2, leading Skeeter W. home by about 50 yards. Dickinson's speedster also won the first heat in 2.08 1/2.

TENNIS TODAY.

The annual handicap mixed doubles tennis tournament for the Turnbull cup will be played on the Rothesay courts this afternoon. Leading players in the Rothesay club have entered the tourney.

ROSS CUP RACE
CARDED HERE
SATURDAY NEXTO'Connell, Halifax Oarsman,
to be Invited to Compete in Event

THE Ross Memorial Cup race will be staged in Courtney Bay on Saturday, September 11, according to a decision reached at a meeting of the Saint John Rowing Club held last evening.

Secretary Hugh McCavour reported that the club had received a communication from Judge J. A. Barry, chairman of the Ross Memorial Cup committee, giving the Saint John Rowing Club a sanction to conduct a race for the valuable trophy, given by the late L. R. Ross, brother of the famous sculler, Wallace Ross, to be competed for annually by amateur oarsmen under the age of 21.

Dr. F. Gordon Sancton was appointed chairman of a committee to look after the laying out of a course. Elmer Ingraham was chosen chairman of the publicity committee. J. C. Chesley agreed to supply a boat for the judges. Norman F. McLeod was chosen as chairman of the entries committee. Charles O. Morris was appointed chairman of a committee to obtain cups for the events.

APPOINTED REFEREE

F. W. Coulombs was appointed referee of the race. Pilot Fawcett McKelvie, clerk of the course, and President Chesley was empowered to appoint the other officials for the regatta.

President Chesley read a communication to the effect that a race would be rowed in Halifax on Sept. 8 and entries from Saint John for the amateur senior singles and one-half mile sculling race for the Cogswell cup were invited. It was decided to make an effort to have Jack Ward, the West Saint John oarsman, to leave next Wednesday for the sister city and compete for the prize.

In addition to the race for the Ross cup on Saturday next, the program will include a four-oared race for seniors. An invitation will be sent to Halifax oarsmen and scullers to compete with O'Connell, of Halifax, will be here to row for the Ross cup.

Another meeting of the club will be held at 8 o'clock next Tuesday afternoon in the office of Thomas Nagle, Prince William street, when committees will report and final arrangements for the regatta will be made.

CURREY, CLINTON
TO RACE ON MONDAY

W. C. Currey and Thomas Clinton, with other entries expected, will engage in a one-mile race at 8 o'clock on the Bellefleur on Monday. They have been invited to attend the week-end cruise of the Power Boat Club and will race Monday morning.

BABE BREAKS ANOTHER RECORD

The largest contract of its kind ever signed in vaudeville is shown here receiving the name of the King of Swat. Ruth will receive \$100,000 for a 12-week tour over the Pantages western circuit after the next world series. The Bambino will appear alone, with no supporting cast. E. G. Milne, Pantages representative, is shown above with Ruth.

Martellos Challenge

Watermen To Series

A challenge to the Water Department team, winners of the city title, for a series of championship games was issued last night by F. Dugay, manager of the Martellos, headliners of the South End League circuit. Dugay stated that he considered the actions of W. E. Stirling, vice-president of the M. P. B., in the recent baseball play-off tangle very biased toward the City League teams, and very unfair toward the Martellos. He cited several instances to show where the Martellos "had been made the victims" of his rulings.

PENNANT RACE
IN BAD JAM IN
NATIONAL FIGHT

Ruth Gets 41st Homer of Season Against Athletics

NEW YORK, Sept. 4.—After opening up slightly through the week, the pennant race in the National League is jammed again today with St. Louis sporting a bare five-point lead over Cincinnati, and Pittsburgh again in the midst of the fight ten points back of the leaders.

The Cardinals fell yesterday before the rushing Reds, 4 to 2, after their triumphant march to the peak had battered both Pittsburgh and Chicago previously in the week. The Pirates turned on the Chicago Cubs for their first break in a series of disasters, noting out a close ten-inning victory, 4-1. Jess Petty ran his string of wins to 13 for the season, when he dumped Philadelphia for the Brooklyn Robins, 4 to 3.

The New York Giants slammed the Boston Braves around the park, 17 to 8. Cleveland clipped a half game from the New York Yankees' lead in the American, by walling Detroit, 9 to 1, for their eighth straight win, while the Yanks were splitting two with Philadelphia. Uhl picked his 28th victory of the season, and his eighth straight, holding the Tigers to four hits. The Yanks now lead the American parade by five and a half games. Babe Ruth bagged his 41st homer of the current season, while the Yankees were annexing the second game, 7 to 4, after dropping the first, 7 to 2.

ST. JUDES WON

In the first of a series between St. Jude and the Veterans for the West Side softball championship last evening, the Saints were victorious 10 to 8. Hall, Edwards, Stewart, for the winners, and Cook, for the losers, were outstanding. The batteries were: St. Jude, Fowler and Whittaker; Vets, Pike and Wilson. Umpires, McLaughlin and Murphy. The second game will be played early next week.

very unfair toward the Martellos. He cited several instances to show where the Martellos "had been made the victims" of his rulings.

TAKES YOU
FARTHER

Twice the mileage guarantee on a money back basis turns your business mind to the merits of LOILOIL—the double mileage engine oil.

The sharp distinction between the results of using LOILOIL and the next best has swung the main body of motorists over to LOILOIL. There has been brief competition and the prize is awarded.

The fastest selling motor oil in the Maritimes. Maritime owned, chosen for Maritime conditions, now advancing everywhere at home and abroad.
