CITY BASEBALL LEAGUE FORMED

The City Baseball League was formed again on Saturday on the same basis and with the same entries as faced the wire at the commencement of last season. Officers were elected and plans made to lay the league's position before the amateur association at its meeting which will be held here this week. No plans for the drawing up of the schedule or the formation of the teams were introduced, as it was decided that it would be better to postpone such matters until after the meeting with the amateur authorities.

The meeting was held in the Commercial Club rooms with Frank White, president of the league, in the chair. The St. Peter's reported the result of their conference with A. W. Cowy and again affirmed their former stand that they could make the sacrifice but would not do so. The motion to form the league, similar to last year, was then placed before the meeting and it carried unanimously. This means that the league will be composed of the St. Peter's, Commercial and Pirates with a possibility of another entry.

The election of officers then took place and resulted as follows:—Honorary president, Frank White; president, A. E. Seely; secretary, Elmer Ingraham. An executive was also appointed consisting of two representatives from each team and the president and secretary of the league. These were:—St. Peter's, J. Dever and G. McGovern; Pirates, Leslie Kerr and A. McGowan; Commercial, Frank White and John Sterling. It was decided that a meeting of this executive would be held tonight to appoint representatives to meet with the amateur authorities in connection with the affidavit question.

STEAMER TEAMS PLAY.

There was a keenly contested match between the soccer teams of the steamers Otarama, of the New Zealand Line, and the Lord Antrim, of the Head Line. The game was played on the Queen square, w. e. in the presence of a large number of spectators. It was won by the Otarama team with a score of 5 to 3.

SCOTLAND WINS FROM ENGLAND

(Canadian Press Despatch.)

London, April 9—It was a lucky goal which won for Scotland the principal international soccer game of the year by 1-0 from England, and incidentally it was Scotland's first win in England since 1903. England's defeat was a surprise as Scotland was considered to be exceptionally weak at halfback. England's forward line into which new blood had been infused were a great disappointment.

On the whole Scotland's triumph was largely due to the fine play of the "Angels" in the team. Marshall, Blair, Andy Wilson and Crooks were the winners of the match and all four belong to English league clubs.
