How TO CHANGE THE CLOCKS

To the Editor of The Times.

Sir—I saw an item in a newspaper

stating that injury is done to a clock

or watch if the hands are put back.

Therefore, when changing the time on

Sunday night, put them on eleven hours,

which amounts to the same change and

saves the clocks. Yours,

DAVID L. SAVER.

DUKE OF DEVONSHIRE ACTS QUICKLY IN SUBSCRIBING

His Excellency the Duke of Devon-
shire wants a share of Canada's second
Victory Loan. The following letter ex-
plains why?
Ottawa, October, 1918.
My Dear Sir Thomas,
I shall be glad if you will again in-
clude my name in the first list of sub-
scribers to the Victory Loan of 1918.
This loan I and sure is of the utmost
national importance in connection with
Canada's continued effective protection
of the war, and the establishment of
lasting credits for the purchase of food,
stuffs, munitions and other supplies ur-
gently required by Great Britain and the
Allies.
I have every confidence that the pa-
triotism of the Canadian people which
has so nobly sustained every duty and
obligation imposed by the war will again
respond to the appeal and that the Vic-
tory Loan of 1918 will be even a more
striking and notable success than that
of last year.
Believe me, my dear Sir Thomas,
Yours very truly,
Hon. Sir Thomas White, K. C. M. G.,
Ottawa.
