there is anything you need to make you happy.

"Oh, thank you!" cried Snow White. "There is just one thing! I would like to know if my seven dwarfs are well. They are in yonder mountains and they work hard all day. I am so afraid they won't have anybody to cook for them when they come home tired at night—or make their beds—or mend their clothes."

"Would you like to see them?" asked Mister Muggs. "Because my magic automobile will take you there in a jiffy, if you do."

"I don't know what a jiffy is," laughed Snow White. "But if it isn't too long, I'll go. The prince won't be home for three days and I'm sure he will think it's all right for me to go when I'm in such safe company."

So all four of them got into the blue car and away it started for the blue mountains in the distance.

By and by they came to the house where the dwarfs lived.

They knocked on the door, but as nobody came, they pushed it open and stepped in.

"Why, it looks exactly the same!" cried Snow White. "Then she stopped suddenly, for there on the table were the unwashed breakfast dishes, the bedroom was all in disorder and the seven little beds were completely topsy-turvy. The clothes that hung on the pegs needed mending and all the floors needed a good scrubbing. "Let's get to work and fix it up for them," cried Nancy.

"A fine idea!" declared Mister Muggs. "It is only 10 o'clock and we have all day."

And when the dwarfs came back the little house looked as though fairy had been at it—as indeed they had. But the visitors had gone, for the

Bad Legs Healed at the age of 67.

Mrs. Greenwood, of 11, Stephen Fold, Stinker Lane, Dudley Hill, Bradford, England, writes: "It is eleven and a half years since my left leg first started, and what I have gone through with pain and loss of sleep, nobody but myself knows. I tried all sorts of lotions, ointments, and pastes, but it never healed. About 12 months ago my right leg also broke out, and altogether I had fifteen wounds on my legs. Then I bought a bottle of Clarke's Blood Mixture, and after taking seven bottles my legs were healed. I was 67 last November, so you see it is not the age that matters."

That "Kruschen" Feeling

Here's the dear old boy again—just brimming over with high spirits and sheer joy of living.

He gets up every morning feeling that he could do the staircase in one. He greets the day with a smile, and his friends with the hearty hand-clasp of real good-fellowship.

He is welcome wherever he goes—no one can resist his cheery way of always looking on the bright side of things.

Do you feel like this?

If not, there's something wrong. You think it's your nature. It isn't—it's your health.

Just consider. You are probably getting too little fresh air and exercise—perhaps you spend too much time sitting over your daily tasks, and, as a result, you get run down with worry, overwork or errors of diet. Consequently, you need a corrective. You need Kruschen Salts.

Kruschen contains just the six salts, blended in just the right proportion, that are essential to keep you in continual good health. Under their tonic influence the liver and kidneys eliminate all waste matter. Your whole body is braced and revived.

The dose is only "as much as will lie on a 10 cent piece," and you can't taste it in your breakfast cup of coffee or tea. A 75c bottle contains 160 morning "pinches"—good health and youthful spirits for less than half a cent a day.

Kruschen Salts

Tasteless in Coffee or Tea

Put as much in your breakfast cup as will lie on a 10 cent piece. It's the little daily dose that does it.

Good Health for Half a Cent a Day

The ingredients of Kruschen Salts are necessary for healthy life. Your body must of necessity obtain these ingredients from somewhere, or you could not live. Normally, your system should extract these vital salts from your food—meat, bread, fruit, vegetables, milk, eggs, and so on; but when, owing to impaired digestion, errors of diet, overwork and worry, anxiety, sedentary occupation and many other causes, your system does not extract from your food the correct proportions of these essential life-giving salts, then you suffer from depression, headache, constipation or disordered liver.

Kruschen Salts should be your safeguard. Besides cleansing the body of impurities, gently, surely and painlessly, they possess a wonderful power of giving new life and vitality to the countless millions of cells of which every body is composed.
