St. Peter's Defeat Travellers.		
Nearly three thousand persons jammed into St. Peter's Park last night to see the champion St. Peter's team defeat the Boston Travellers, 2-1. The receipts go to the aid of the new health centre, and it is estimated that there will be about \$1,000 for the fund. St. Peter's band was there, and rendered a fine programme of music. A radio broadcasting station added several airs to the programme. St. Peter's had their regular line-up, and played well. Scottie Sterling held down left guard for the visitors, and brought in their only run. The game was played in the fast time of one hour and twelve minutes.

Auburn Tonight.
A fast game is expected on St. Peter's grounds tonight, when the champions and the fast Auburn team clash for the second time. Last Saturday, the Saints defeated Carr's aggregation 4 to 2, and they hope to repeat tonight. Moncton has been trimmed twice this week by the visitors, and they are certainly going fast. Either King or Lawlor will be on the mound for the locals.

POUR 1,400 GALLONS OF RYE INTO GUTTER
Atlantic City, N. J., Aug. 23.—Thirty hundreds stood about the streets at North Carolina and Mediterranean avenues and watched detectives pour 1,400 gallons of rye whiskey into the gutter.
The contraband liquor, together with an elaborate and expensive still capable of producing 10 gallons of whiskey a day, was seized in a raid at 1204 Mediterranean avenue, where Charles Phillips, a negro, the alleged proprietor, was arrested. He was held under \$1,000 bail and will be arraigned before Judge William H. Snodgrass.

The seizure is said to be the largest of its kind in the State, made either by federal or local officials. According to the detectives, saloons and other places in the city have been supplied with whiskey from this source for months past.

RUPERT HUGHES, WHO WROTE "The Old Nest" and "Dangerous Curve Ahead," says there are thousands of girls like Ideline Nabbins in his latest picture, "The Wall Flower." He thinks that a girl need not be homely, friendly and unloved. And he has put his thoughts into a photoplay that is a gem of humor and observation. Colleen Moore, who plays the wall flower, gives one of the greatest individual performances ever seen upon the screen.
