Dear Sir,-

Re - Pacific Mills Limited -
Katit Indian Reserve

We have your letter of March 16th and have noted the contents.

As you no doubt know, the timber market in British Columbia is extremely bad and, naturally enough, our principals are anxious to avoid cutting any timber which cannot be disposed of without a loss at the present time. However, we can assure you that they are anxious to co-operate to the best of their ability, and we are today asking for their further instructions with a view to continuing our negotiations to reach an arrangement satisfactory to all parties.

Yours very truly,

NEWCOMBE & COMPANY,
