THE EXPIBITION.

bald theories. Even the present Tory party now in power, gives no countenance to their latter day movements, because they are fully aware that the doc trine laid down by Bright and Cobden, is.

It seems that the city council are luke, because they are fully aware that the doc trine laid down by Bright and Cobden, is.

It has been out of the way of a cat or the hands of a man than to escape contact with inanimate objects. One of these blinded bats was trine laid down by Bright and Cobden, is. trine laid down by Bright and Cobden, is now as much part of an Englishman's life, as the air which he breathes; and do not should be called 'Board of Trade—or rather it should be called 'Board of Protectionists' off St. John and had the whole business in Fredericton, as was our woat in former years when we appeared to have more exhibition life. The advice we would the shows and so is anything to the shows and be expected from that party, in the way of changing any part of her free trade your resources and next January elect a policy? Again is it not already patent that the next Presidential election will that the next Presidential election will land a Democratic head in the White House, and a large majority of the same party will hold sway in both Houses of Congress- What then? The free trade your resources and next January elect a Mayor and city council pledged to a Provincial Exhibition in 1892. Begin at home if you are in earnest, among your selves, O people! We want live men at the helm and in the forecastle—for excorders. What then? The free trade your resources and next January elect a Mayor and city council pledged to a Provincial Exhibition in 1892. Begin at home if you are in earnest, among your selves, O people! We want live men at the helm and in the forecastle—for excorders. The other night Henry D. Wilson of Philadelphia, went over to Camden, N, J. and was married by Rev. Mr. Burrell to Miss Minnie Farrell. Then he went before Rev. Mr. Finlaw, under the alias of Arthur Williams, and was united in the holy bonds of matrimony to Laura Joice. On the following night, under the name of on the following night, under the name of one form of the party will hold sway in both Houses of Congress- What then? The free trade your resources and next January elect a Mayor and city council pledged to a Provincial Exhibition in 1892. Begin at home if you are in earnest, among your selves, O people! We want live men at the helm and in the forecastle—for excorded in Book F. 4 of the York County of the trade the money will for the purpose of satisfying the money excorded himself theory, default having been made in the went before Rev. Mr. Finlaw, under the alias of Arthur Williams, and was united in the holy bonds of matrimony to Laura Joice.

On the following night, under the name of one forecastle—for excorded have a made in the provincial Exhibition in 1892. Begin at the option of the party will have a made in the party

william Street talks nonsense.

THE VACANT SENATE SEAT.

It is observed that the vacancy occasioned by the death of Senator O'Dell is a prize now contended for by several political aspirants, whose names have been mentioned—among them a contemporary whose loss from Fredericton for several months in the year would be greatly felt, if successful. On this account chiefly the citizens would have great objection. But after all why fill

NOTES AND NOTIONS.

Ohio State. Mr. Charles Jones was as- held in Preston, England, a few years ago ainst us in that delicate quarter with, tant was caught in the ropes and carried speakers were Archdeacon Farrar, the the ground. The assistant was killed little. The archdeacon addressed the on the spot, while Mr. Jones was fatally large audience first. He was followed by injured. Miss Zoetta Dentley attempted the Dean of Rochester, who remarked rould the country suffer a great deal if to make an ascent at Elyria. A strong that he felt very much like a portion o wind was blowing, but the balloon was a sandwich—the smallest—the middleragged through several trees, and at speaking as he was between two suc the height of 16 feet Miss Dentley fell out powerful and eloquent speaker.

It is to be hoped that this tax will be boy on the street, 'to learn that your fathers house was burned down yesterday to a sandwich that his friend was so a sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the Dean's alluss and the sandwich that his friend was not aware, until the proposition that his friend was not aware, until the proposition that his friend was not aware the sandwich that his friend was n
