BANKER'S WIFE MOST DEEMED. Nervous Troubles Had About Wrecked Her, Reason—South American Nerveine Lifted the Clouds and Cured Her.

The wife of a well known private banker in the West was so afflicted with nervous disorders that her physicians feared she would lose her reason, but she rejoiced to hear of her family through reading a newspaper article of how South American Nerveine cured another seemingly hopeless case. (She was induced to try it, too, and to-day is a cured woman herself.) Sold by Dean & Hiscock and Hall & Co.

AN ANCIENT BELIEF. The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by Henderson Bros., whole agents, Victoria and Vancouver.

Dr. A. L. Prevost, Chas. Prevost and J. H. Davies, of Seattle, are here for the celebration.

DR. CHASE Treats the Liver

The Largest Organ in Human Body and Proves the Efficiency of His Kidney-Liver Pills.

DR. CHASE Treats the Liver

No organ in the human body has a greater influence on the general health than the liver.

A torpid, sluggish liver leaves bile in the blood to poison the system and upset the digestive system.

It causes indigestion, stomach troubles, headache, backache, pimples and blotches on the skin, constipation and looseness of the bowels, depressed spirits, dizziness, weakness, and sometimes weakness and palpitation of the heart and menstrual derangements.

Dr. Chase's Kidney-Liver Pills are unique as the only treatment that acts directly on both the liver and kidneys. Their success in curing liver complaints, biliousness and the most complicated ailments of both the liver and kidneys has been phenomenal. One pill dose, 25 cents a box, at all dealers, or post paid by Edmondson, Bates & Co., Toronto.

Hoisting The Flag

Victoria School Children Add Another to the List of Holidays.

Impressive Empire Day Ceremonies at All the Wards Yesterday Afternoon.

To the children of the city—the boys and girls who are qualifying for citizenship in the public schools of the city—belongs the honor of inaugurating the demonstration in honor of the anniversary of the birthday of Her Gracious Majesty the Queen.

Before despatching books and desks yesterday for the holidays they added what promises to be a permanent addition to the list of school holidays in British Columbia, namely, Empire Day. Flag hoisting and the rendering of patriotic selections signalized these proceedings, which were in every case remarkably successful.

At the Central schools the proceedings were under the direction of the chairman of the school board, Dr. Lewis Hall, who had oratorical assistants in His Worship the Mayor, Hon. J. Stuart Yates, Minister of Education, A. Robertson, superintendent of education, Rev. Dr. Campbell and Archdeacon Scriven, J. H. Turner, the donor of the flag, was unable to be present, but the ensign was hoisted by the head pupil, Master J. A. Cunningham, amid cheers for the Queen, the heroes in South Africa and the donor, and with the singing of the National Anthem. During the proceedings the mayor signified his intention of offering a prize for oratory, to be competed for by the pupils of the schools of Victoria.

The pupils of Victoria schools will never forget the South African war. Early yesterday morning the South Parkers, fortunate enough to own wheels, were out in the park getting laurels of "our emblem dear," the maple leaf. An unprejudiced observer might have seen at a glance when the school lined up in the morning that something unusual was in the air. The girls had their hair curled, and their "other" dresses on. The boys were spruced up with "shiny morning faces" and ditto shoes. All were decorated. Maple leaves, war buttons, badges, flags, patriotic ties and streamers bobbed up everywhere. Some enthusiasts even wore Union Jacks in lieu of waistcoats. It was windy at 2.45, but what did they care? Was it not Empire Day and the eve of a holiday? At the word of command, marching from their class-rooms 400 strong, they took up their position on the parade ground in front of the building in the form of a hollow square. This programme was then rendered:

1. School chorus, "Soldiers of the Queen."

23. Address by Trustee Mrs. Gordon Grant.

3. Raising of the challenge flag (by Morrison and Laing).

4. School chorus, "The Maple Leaf."

5. National Anthem.

At the Kingston street school the children gaily decorated the interior of the room with maple leaves and flags. H. D. Helmcken presented the flag to the school with an appropriate address, after which Miss Lawson elevated it on the pole amid cheers and the singing of the National Anthem by the little ones. Miss Blair presented the donor of the flag with a bouquet of white flowers. Patriotic songs were sung and cheers given for the trustees and teachers.

At Hillside avenue the honor of raising the flag was designated to Hazel Watson and Curtis John, amid musical and other vocal honors. Trustee Drury delivered an address and broke the welcome news to the children that they would soon have an improved playground. The donor of the flag, A. E. McPhillips, was received with cheers, and spoke on the significance of the National emblem.

At Victoria West Trustee Mrs. Wm. Grant was unable to be present, but Miss Gardiner hoisted the ensign amid lusty cheers Messrs. E. Okes, Boggs and Rev. J. P. D. Knox delivered addresses, and patriotic songs were sung.

At Spring Ridge Trustee Brown was in charge of the ceremonies, and appropriately introduced the donor of the flag, his political opponent, E. Hall. These, in addition to E. Bragg, delivered addresses and the usual cheers were given for those serving in South Africa.

An account of the proceeding at North Ward school appeared yesterday.
