A CLERCYMAN'S TESTIMONIAL

About two years ago I was at acked with an inflammatory disease on my face (petyriasis), which
was very troublesome, being extremely itchy and
painful, giving lise to the production of small
bran-like scales. My general health was affected
by it. I cased the CUTICUTAR RESOLVERY, CUTICUTAR,
and CUTICUTAR SOAF according to directions, and
experimend a change from the very first day;
they worked wonderfully, and by their continued.
I have unbounded faith in the CUTICUTAR RESOLVERY as the
very best blood purifier; a trial will convince any
one. The CUTICUTAR SOAF is the best in the market, and cheap at twice its present price. I
shall use un other for the tollet and bath. With
the prevalence of skin diseases smong us as a people (and they are the most difficult to deal with,)
regard the tUTICUTAR REMEDIES of more important and intrinsic value to the world than any
other medicine now before the public. I am, Rev.) WM. CREELMAN, York Corner, Me.
