A CLOSE CALL :-- Mrs. Peter Gallagher, Buctouche, had a narrow escape from death by poisoning last Friday evening. She went to a shelf to get a small bottle containing a remedy for cramps, but inadverently took a bottle of same size containing a poisonous liniment for external use only. She discovered her error after swallowing a spoonful, and lost no time in sending for a physician. Dr. King, who lives near by, vas home at the time, and he succeeded, after considerable work, in placing her out of danger.
