

Miramichi and the North Shore, etc.

New Post Office - A new Post Office is being built at Miramichi, New Brunswick...

Early Closing at Newcastle - We receive by the Advance that an effort is to be made to induce the merchants of Newcastle to fall in with Chatham to close the stores at that town two nights in each week.

The Salvation Army will provide dinner and tea on Wednesday next, across day, at the residence of Mrs. J. W. B. at 25 St. St. There will be a special meeting held in the evening.

Report of the Bear - July's hottest day in New York killed one man and produced many other losses in a thunderstorm which the wind brought relief to suffering thousands in this city.

The Miramichi will not leave Chatham on its down river trip on Wednesday next, but will leave for Chatham at 6 a. m. in that morning calling at intermediate points to bring parties to the circus.

Personal - Senator Snowball and Mr. Adams, M. P., are home again from their annual labors at Ottawa. Mr. Adams arrived at Newcastle on Saturday and Mr. Snowball at Chatham yesterday morning.

Kelley in a Hurry - While driving from the Miramichi to Moncton on the morning of Saturday last, Mr. Alexander Kelley, a middle aged man who was driving from his wagon and so severely injured that he died some hours later.

The House at the Exhibition - On Sunday last the Exhibition at Chatham was the most successful yet. The attendance was the largest since the opening of the exhibition, with no exception to the place of reference.

The Prize offered by the international exhibition, St. John, N. B., are on the 25th of July. The prize is \$10,000. They are offered for competition to all exhibitors, without reference to the place of reference.

St. James' Church - The Rev. Mr. Adams, M. P., for Carleton County whose death was announced in the paper on Saturday last is still among the living. It was the death of his daughter aged twenty years, from consumption on Friday, that gave rise to the report.

Miramichi River - The St. John Report says that Messrs. Peter McDonald and W. McDonald, the carpenters and millwrights at Miramichi, have erected a large dam at Newcastle. The dam is to be 300 by 80 feet and will be known as the Miramichi Dam.

The St. John, N. B. exhibition buildings are being put in excellent order for the fair which opens on Saturday. It was the death of his daughter aged twenty years, from consumption on Friday, that gave rise to the report.

The Exhibition - Owing to differences of opinion among the City Council and the Exhibition Association at St. John, N. B., the publishing of the prize lists have been delayed. Several copies of the list may address O. A. Everett, managing director, who will mail them freely.

Returned to Chatham - Mr. Humphrey Kayle who left for the United States some years ago returned to Chatham last Saturday. He is believed to be the future of the city as he is one of the American boys who had lived and worked in during his absence.

Lumber Lumber - We learn from our exchanges that Messrs. Gessner Opp, of Vale River, and W. H. Brine, of Bristol, Westmorland Co. have leased at Jernigan, Gloucester Co. about four thousand acres of lumber. It is believed that they intend raising a portable mill and commencing operations at once.

Leaves for Chatham - By an explanation of a blast furnace in the Lehigh Valley iron mine Saturday evening David Eaton aged 38 years, a native of this town, was killed and N. A. Campbell of Cape Breton and Henry Cook were badly injured. The damage to the furnace was slight.

On Monday last a machanic named William Moore from Montreal while working at the mill fell from a ladder about twenty feet and injured his hip. He was removed to the Aberdeen House and Dr. Joseph B. Benson was in attendance. No bones were broken but he had a severe shock.

Miramichi - The first shipment of manganese from the mine on the Miramichi was made on Saturday. The manganese is said to be of best class quality and if the expectations of the owners of the mine be realized it will prove a valuable addition to America's resources.

Deaths at St. John - Mr. Henry May was taken to the hospital to feed his horse and while giving it some corn the animal bit his hand giving him a very deep and painful wound. Henry now lies in a hospital and for the future will be more careful of himself while attending to the care of his horse.

Parsonage - The Advance informs us that Mr. Berk Wyse who is a member of the Methodist church choir of this town was on the evening of Friday last presented with an address and a handsome rocking chair by the other members of the choir. Mr. Wyse heartily thanked the choir for their handsome present and hoped that he would be able to do more for the church than he had in the past.

Miss Annie Sharkey in St. John - The St. John Sun of Monday last says that Miss Sharkey of Cambridge, Mass., sang a beautiful solo in St. Andrew's church last evening. Miss Sharkey has a rich soprano voice fully cultivated. She is a native of Chatham, a daughter of the late A. D. Sharkey. It is hoped the people of this city will have a very early opportunity of again hearing Miss Sharkey sing.

Stays in the Square - Mr. Wyse, the associate member of the singing society, has for the accommodation of the public, placed in that public room, twelve seats getting on a new and improved plan that will lend the strength of the vocals that destroyed the former ones. During the afternoon and evenings of each day these seats are crowded by both young and old who appear to be thoroughly enjoying themselves.

An Obedient Preacher - The St. Croix Courier says that the Pastor of St. Andrew's, for the convenience of the public, has the post office open between 8 and 9 o'clock on Sunday morning so that letters arriving by the night train Saturday may be delivered with the Beacon. He also issued cards showing the hours at which the mails close for various points.

Proceedings of the Provincial Convention

Proceedings of the Provincial Convention held at Chatham in October next.

Character study of Adam at the meeting Sunday 4 p. m. The attendance at this meeting is not confined to association members but is open to every man, woman and child.

Topic at boys' meeting Thursday 7 p. m. "Things a boy should know." This is the only meeting in town held especially for boys. Come to-night and learn some of the things you should know.

All members wishing to attend the convention should come to the rooms right away and get a certificate entitling them to a free return on the L. C. R. and entertainers while at the convention, Aug. 8-11 at Halifax.

A big crowd is going from Amherst. Leave business for a week and come enjoy a visit to Halifax, the intercourse with the Y. M. C. A. workers. You will enjoy some all the better fitted for your work.

Johnson-Sully Entertainment. The opinion of everyone we have heard speaking of this entertainment is that it was one of the best ever given in Chatham, and certainly the best this season.

Arrangements have been made with the Miramichi Steam Navigation Company to run special trips in connection with the circus as per announcement in the big advertisement on our work page.

It appears to me from experience that there is something wrong at the Chatham post office. I maintain that the government is in a very bad way in this respect.

It is a pity that the government is in a very bad way in this respect. It is a pity that the government is in a very bad way in this respect.

It is a pity that the government is in a very bad way in this respect. It is a pity that the government is in a very bad way in this respect.

Accidental Shooting

Accidental Shooting. St. John, July 23. - A few days ago a wedding occurred at Greenfield, Carleton Co., and in the evening the usual chivalric took place.

The Grand Trunk Railway Disaster. QUEBEC, July 22. - The report of the local papers during the afternoon of the 21st, regarding a disaster at Craig's Road station, through which fourteen lives were lost, closed at Lewis this afternoon.

The Montreal Crops. Owing to late rains in Manitoba the crops are said to be coming on magnificently and there is every appearance that the farmers will have a bountiful harvest.

The Labrador Fisheries. Reports of the Labrador fisheries from the season will be good. Two vessels have already arrived with full fares. The catch already made is said to be as good as the whole catch.

Dynamite Explosion. CHICAGO, July 22. - Three men were instantly killed and a fourth badly injured today by a premature explosion of dynamite in the Arisago canal, near Willow Springs.

Horizontal Departments. Special favors will be arranged with railways and steamships for the convenience of the public. Standing exhibitors should apply at once for forms and letters of inquiry should be addressed to the following:
