Emanuel Devlin of Wright, who followed, said the feature of the session so far had been Hon. Geo. E. Foster's sermon on political morality. In view of certain revelations that had taken place during recess Mr. Foster's preaching on Friday had rather taken away the breath of the members. Mr. Foster had referred to the resignation of Hon. Mr. Hyman. There had been shown, it was true, that some votes shown, it was true, that some votes had been purchased in that constituency. Though he had a legal right o retain his seat, Mr. Hyman had re-igned it. Why had he done so? Beause he was an honorable man and leclined to sit in the house under the lightest stain. Would Geo. E. Alex. Johnstone, Cape Breton, said he did not think the public would regard it as a mistake of the government to have erected an elevator at St. John, as Mr. Foster intimated. He attacked Mr. Foster heartily for his speech and intimated he was a political body snatcher. While looking for political scandal he might have read the circular sent to conservative organizers in Ontario, which stated:
