"SPRING FEVER"

The need of a spring medicine seems to be universal. This is due to the fact that during the winter the blood becomes impure on account of the hearty food eaten. This causes that tired, weary, all-gone, don't-care-to-work feeling which is so prevalent at this time of year.

BURDOCK BLOOD BITTERS

THAT TIRED FEELING. Mr. F. H. Leard, Saskatoon, Sask. writes:—"I have used Burdock Blood Bitters as a blood builder and think it an excellent remedy. Everyone should take it in the spring to cure that tired feeling that comes to so many at this time of year." USES IT EVERY SPRING. Mr. H. Langley, Hamilton, Ont., writes:—"I have used Burdock Blood Bitters as a spring tonic, and I find it the best thing I can take. It builds me right up and I use it every spring. It is excellent for the blood."
