Quadruplet Birth in Massachusetts Town
Is a Myth.

NORTHAMPTON, Mass., Aug. 26.—It
knew as though the quadruplets claim-
ed to have been born to Rev. and Mrs.
Samuel H. Scowen, of Chicago, but
now of Goshen, a town near this city,
are myths. The people of the little
town where Mr. Scowen was engaged
to preach in the Congregational Church
are astounded at some of the develop-
ments.

There has been a widespread inter-
est in the reported birth of the four
babies which, as it is claimed, were
born on May 28, and are still living
very sprightly.

The parents of the quadruplets, who
came to Goshen, bringing with them
four other children, have been the ob-
ject of sympathy, because of their
needy circumstances, and there have
been large contributions. After Mr. Scowen
had preached in Goshen a few Sundays, early in
the summer, an investigation led to his
being shut off from preaching. The fam-
ily was allowed to remain in the par-
sonage, but on the revelation of what
appeared to be facts showing that the
quadruplets are spurious, the people of
the town became so incensed that they
asked that they leave town within two
days.

LITTLE CHILD LEADS

PARENTS TO HARMONY

Boy Tells His Yearning for a Mamma
"Like Other Boys Have."

BAYONNE, N. J., Aug. 26.—Having
been estranged for five years, Mr. and
Mrs. Arthur Kent were reconciled and
reunited yesterday through fifteen
words spoken to Mr. Kent by his 5-
year-old son. Since 1904 the child has
been with his father in Toronto, while
the mother has lived with her mother
in Bayonne.

Mrs. Kent decided last Saturday to
make a final effort to become reunited
to her husband and her child. She
went to Toronto where the parents of
her husband told her Mr. Kent had
left on Sunday with the child and
came to Bayonne. The boy is their
only child. His mother had not seen
him since 1904, when his father took
him to Toronto.

"Papa, I wonder why I haven't a
mamma like the other little boys here
have."
Mr. Kent and his wife left Bayonne
with the child last night for Toronto,
where they will live. The boy is their
only child. His mother had not seen
him since 1904, when his father took
him to Toronto.

TRAGIC DEATH IN QUEBEC.

St. Anne Pilgrim Leaped From the Fourth
Story of Boarding House.

QUEBEC, Aug. 26.—A remarkable
case of what appears to have been fas-
tal somnambulism occurred here last
night, when John Fitzgerald, 72
years, of East Herford, P. Q., met a
tragic death. The old man, who was
much worried by the loss of his wife
a year ago, returned last evening from
a trip to St. Anne's, where he had
spent the night with his nephew,
Smile Simard, and other friends, and
put up on a boarding house on St.
Peter street, Lower Town. Fitzgerald
and his friends who slept in the same
room with him were awakened by a
shriek from the window of the room
and looking out saw that Fitzgerald
had leaped or fallen to the street, four
stories below them, and was lying
there motionless. When they reached
him he was already dead and it is
altogether likely that the fall was the
result of some great or he had
caused instant death. Calmen heard a
shriek from the window before he let
go his hold and fell to the street.
The ambulance was phoned for, but
when it arrived Fitzgerald was a
corpse and was left lying on the sidewalk
in the rain for nearly an hour before
removed by order of the coroner
and by his undertaker to the mor-
gue.

Hon. Mr. Brodeur will sail for Paris
tonight.
Premier Aeghult stated in the House
of Commons this morning that it had
been arranged at the Imperial Defense
Conference to organize the military
forces of the crown to preserve the
complete autonomy of each dominion
while allowing of assistance in defense
of the Empire by coming into one
homogeneous imperial army.
Replying to a member, Premier As-
gult said that the resolutions adopted
at the Imperial Defense Conference
had to be submitted to the various
governments before they became bind-
ing. The South African delegates did
not feel that they were in a position
to submit proposals for naval or mil-
itary defense or to approve of any of
the decisions arrived at by the confer-
ence until the union of South Africa
was accomplished.

The premier, in reply to another
member, announced that after the
main conference in the foreign office
that a military conference took place
at the War Office. It was recom-
ended that complete control be given each
dominion over the military forces
raised by those dominions and that the
forces should be standardized, the for-
mation of the units, arrangements of
transport etc., being as far as pos-
sible like those recently worked out by
the British army military conference.

Britain to Loan Canada

Two Cruisers—Asquith's
Statements

LONDON, Aug. 26.—The Canadian
Associated Press has learned on high
authority that two vessels are to be
loaned by Great Britain to the Cana-
dian government. They will be two
third class cruisers, one for the Pacific
and the other for the Atlantic. These
ships will require refitting and altera-
tions, which are to be done on this
side at the expense of the Canadian
government. The officers for these
ships will also be loaned to Canada and
will be paid by Canada when in the
Canadian service.

When Canada starts to build her own
warships, which it is understood will
be the Bristol type of cruisers, they
will be built in Canada. A representa-
tive of a leading firm of shipbuilders
here will shortly proceed to the Domi-
nion to select a site for the ship-
yard. Regarding the choice of a site
for the shipyard on the Pacific a promi-
nent naval expert when asked his
opinion this morning by a Canadian
official stated that Vancouver would
be more suitable for such a purpose
than Esquimalt, though it might also
be necessary to have a dock at the
latter place.

The Canadian Associated Press also
ascertained this morning that the idea
of having submarines in the St. Law-
rence and on the Pacific coast was sug-
gested at the recent defense confer-
ence and the suggestion was received
with some favor.
Hon. Mr. Brodeur, Canadian Minis-
ter of Marine and Fisheries, visited
Boston this morning, where he inspec-
ted the new ice breaker, the Esquimaux,
which will be loaned to the Canadian
government, and which is to be used to keep a chan-
nel clear between Pictou, N. S., and
Charlottetown, P. E. I.

Mr. Brodeur expressed himself as in
every way satisfied with the vessel.

LOOKS LIKE PLEASANT YACHT.

The Earl Grey has more the appear-
ance of a pleasure yacht than an ice-
breaker. The saloons are beautifully
fitted, with decorated ceilings and
panels. The cabins are plain, but the
furnishings are most luxurious. A
large party of Canadian visitors were
shown over the vessel by Lieutenant
Dawson and Mr. Meakin, of Victoria.
It was generally agreed that the firm had
reason for congratulation on turning out
such a fine vessel.

The Earl Grey left Barrow shortly
after Mr. Brodeur's visit this morning
for a trial over a measured mile in the
Clyde. It is expected that she will be
at her contract speed of 17 knots. She
has 400 horse power and can force a
passage through ice fifteen feet in
thickness.
Hon. Mr. Brodeur will sail for Paris
tonight.

TORTURES IN MOROCCO

Atrocities by Mulai Hafid on Captured
Women and Followers of

El Reghil.

LONDON, Aug. 26.—A despatch from
Tangier says the British Consul at Fez
has protested against the barbarous
tortures inflicted by order of Sultan
Mulai Hafid on the followers of the
rebel leader, El Reghil, who were cap-
tured in a recent fight and taken to
Fez.

It is stated that a number of the wo-
men prisoners had all their teeth
drawn, while the men's hands were
lopped off and their bodies slashed
and cauterized. There were a number of
other atrocities not fit to refer to in
print.

Even the children did not escape lac-
tation.

WIDOW FINDS HOODOO
IN "NUMBER 13"

Took New Husband July 13, Missed Him
and \$13,000, 13 Days Later

NEW YORK, Aug. 26.—Again has "13"
proved its efficacy as a "hoodoo." After
thirteen days' ardent wooing, Mrs.
W. E. Lynch, of Brooklyn, 49 years
old, a widow of eighteen months, mar-
ried on the 13th of July. Thirteen days
later she could not find her husband,
nor could she find \$13,000 which she
declares she gave him.

Through her lawyer, Mrs. Lynch, who
now disdains the name of Keeler, has
requested the police to get her money.
The romance, over which "13" has
thrown its blighting shadow, began at
Ocean Grove, N. J., where a tall, dis-
tinguished stranger, who said he was
H. Bradley Keeler, made the acquaint-
ance of Mrs. Lynch's Brooklyn home.

After the honeymoon the couple re-
turned to Mrs. Lynch's Brooklyn home,
but Mr. Keeler was independent and
preferred to go West, as he said, to be
near his analysis mine.

FIRST SAILING SEPTEMBER 30

The St. John, Boston and Cuban Steam-
ship Company.

BOSTON, Aug. 26.—According to pre-
sent plans the St. John, Boston and
Cuba Steamship Co., the new direct line
from Boston to Cuba, will make its in-
itial sailing September 30. Subsequent
to that time sailings will be made as
often as conditions of traffic will
justify. The line is purely a cargo
line, and will make no attempt to
enter into passenger traffic.

Under present conditions with mer-
chant shipping, goods to Cuba are
obliged to ship via New York, entail-
ing considerable expense for transpor-
tation at that port.
The direct line proposes to give the
benefit of a shorter route to Havana
as now are current from New York to
Havana. This will effect a saving of a
month and on the Pacific coast was sug-
gested at the recent defense confer-
ence and the suggestion was received
with some favor.

Hon. Mr. Brodeur, Canadian Minis-
ter of Marine and Fisheries, visited
Boston this morning, where he inspec-
ted the new ice breaker, the Esquimaux,

GAMBLING COTTAGE

SHOCKS BAR HARBOR

Social Colony at Maine Resort Scandalized
by Monte Carlo Layout.

BAR HARBOR, Me., Aug. 26.—Bar
Harbor society is facing a small scan-
dal of its own.

It has been known for some time that
a complete Monte Carlo layout had been
laid out in a fashionable cottage which
had been engaged for the season
supposedly for far different pur-
poses. Prominent men of the summer
colony were there, according to general
account, and playing late and for
big money.

Thousands of dollars are said to have
changed hands nightly.

From the very nature of the place
evidence has been difficult to obtain.
As a rule, the police are not disposed
to interfere with the doings of the
summer colony, but the gambling is in
open violation of the law, and from re-

liable sources on Sunday they obtained
evidence enough to make the proprie-
tors of the house pack up their costly
outfit and leave the state. The para-
phernalia was shipped to Rhode Is-
land.

It is said that losses of late have
been heavy. Freer talk than usual by
the losers is said to have led to police
action.

LAURIER FOR SOUTH AFRICA

Preston Says He Is to be Offered the
Governorship.

OTTAWA, Aug. 26.—That Sir Wil-
frid Laurier will be offered the govern-
ment of South Africa is the state-
ment of W. T. Preston, Canadian
trade commissioner. It is doubtful if
such an offer would be constitutional
to a man elected to represent the
people, and it is certain that Sir Wil-
frid would not accept.

May 20 of this year. There was no op-
position today when Mrs. Gould's at-
torney made a formal application to
Supreme Court Justice Gierger for the
final papers.

The decree gives the custody of the
two children, Helen and Dorothy, to
each parent for six months in each
year. Mr. Gould is not permitted to re-
marry in this state until after the
death of his wife. The papers do not
mention alimony.
