INTERESTS OF RETURNED N. B. HEROES

Will Be Discussed at Important Meeting on Friday—Matter of Re-education on Tapis for Discussion.

An important meeting of the Returned Soldiers' Aid Commission for the province will be held at Moncton on Friday afternoon next, when several matters appertaining to the interests of the returned heroes will be discussed.

Charles Robinson, secretary of the commission, said last evening that call had been sent out to the various members of the commission throughout the province, while it was also hoped to have two members of the local government, Hon. Dr. Smith and Hon. C. W. Robinson, in attendance at the meeting.

Mr. Robinson in response to an inquiry, said that the commission had several matters on the table for discussion, including the re-education of returned men along technical and agricultural lines, as well as other proposals looking to the advancement of the interests of those who had served their country so faithfully in the present great war.

Since its inception the local commission which was appointed by the provincial government, has done excellent work. The commission has cooperated with the Military Hospitals Commission, and Mr. Robinson has worked indefatigably in looking after the comfort of the returned men as well as securing desirable positions for them after they have recovered.

At Friday's meeting Mr. Robinson will report on the proceedings at the recent conference of the secretaries at Ottawa.

If You Want Evidence

hat Hemorrhoids, or Piles, Can Be Completely Cured. Read These Letters—Both Are Sworn Statements.

Toronto, Ont., May 2.—Next personal experience the sworn statements of reliable people is the strongest evidence obtainable. If you have any doubt that Dr. Chase's Ointment will positively and completely cure piles, these letters should convince you.

Mr. Samuel Parker, fruit grower, Grimsby, Ont., has made the following declaration before Mr. W. W. Kidd, Notary Public of the same place: "I do solemnly declare that I was troubled with bleeding piles and was advised to go to the hospital to have an operation performed. My wife said 'No, get a box of Dr. Chase's Ointment.' I did so and have used it according to directions while living in Manitoba and obtained a complete cure, for I have never been troubled with piles since. I am now seventy years of age and want to recommend Dr. Chase's Ointment to all sufferers from piles. My wife has used it for itching skin and obtained complete cure."

Mr. Donald M. Campbell, Campbell's Mountain, N. S., writes: "I have used Dr. Chase's Ointment with great success for hemorrhoids or piles of fifteen years' standing. After trying all kinds of so-called pile cures, three boxes of Dr. Chase's Ointment gave me a complete cure. I have also used Dr. Chase's Kidney-Liver Pills, and there are no others so good. You may use this letter, if you wish, for the benefit of others who may suffer as I did."

Sworn before me, Murdoch Gordon Campbell, J. P., in the County and for the Province of Nova Scotia.

If you would like to try Dr. Chase's Ointment at our expense, send a two-cent stamp to pay postage and we shall mail you a small box free, plus five box 50 cents, at all dealers. Full size box 60 cents, at all dealers, or Edmanston, Bates & Co., Limited, Toronto.
