Richibucto, 5th October, 1902.

Sir,

In connection with the application of Burnt Church Indians for the sum of \$1000 from the capital funds of the band for the purpose of finishing the combined school house and council house on the Reserve you have not informed me as to whether the grant will be made. The building as I before stated is up and boarded in and work there stopped. The Indians are very anxious to complete the building and Rev. Father Morrissey writes me to know if the work cannot go on this fall. Will you kindly let me know if any decision has been reached in the matter.

Your obedient servant,

Indian Supt.

The Secretary,

Dept of Indian Affairs,

Ottawa.
