Almonte, 10th April, 1865, 30ly

This Medicine has been prepared by the proprietors for a number of years; has been used with the most decided success in num-erous families of the first respectability, and has received the approval and recommenda-tion of several emineat medical gentlemen. The most alarming symptoms of the disease arising from the prevalence of worms in the intestines have been specially and entirely removed by the use of the VEGETABLE WORM CANDY. Dreadful indeed are the effort of the second to the second the second the second to the second to the second the second to the second to the second the second to the second the second to the second to the second to the second the second to the second Session of Parliament for the passage of Special Act for the final separation of the County of Renfrew from the County of Lanark on a day to be named by the pro-Agent at Aimonte. clamation of the Governor General.
