"Dr. Ludlow shows versatility and rare culture in this book of essays. From the first page one is impressed with the beautifully clear style, the brilliant thought which flashes through every sentence, and the marvelous storehouse of illustration from which the author draws. The vital importance of will power in the formation of character, and the incentives which lie back of it as motives to action, are set forth with vigor and power."—*Christian Observer*.

DEBORAH. A Tale of the Times  
of Judas Maccabaeus. By the  
author of "The Captain of the  
Janizaries." 12mo, cloth, illus-  
trated . . . . . \$1.50

"Deborah is a genuine Jewess, noble, brilliant, loving and lovely."—*Congregationalist*.

"Nothing in the class of fiction to which 'Deborah' belongs, the class of which 'Ben Hur' and 'Captain of the Janizaries' are familiar examples, exceeds the early chapters of this story in vividness and rapidity of action. The book as a whole has vigor and color."—*The Outlook*.
