Canadian Masons In England

H. S. Carmichael, Passenger and Freight Manager of the Canadian Pacific Ocean Services, was installed W. M. of the Canada Lodge at the installation banquet held recently in London, England, attended by the Rt. Hon. Sir Edward Clarke, Sir Gilbert Parker, General J. G. Ross and many other Canadians and English representative men interested in Canada.

The Canada Lodge No. 2527 on the Register of the United Grand Lodge of England was founded in 1911, in order to provide a Masonic centre for Canadians resident in Great Britain and Brethren from the Dominion visiting the Old Country. The object of the founders was also to form a bond of union between the Brethren of the Dominion and the Brethren of the United Kingdom in the strong hope and confidence that Freemasonry might so even still further assist in the great work of forming these bonds of "indissoluble attachment" which shall forever unite the component parts of the British Empire. The Lodge has now 252 members,

many of whom are Dominion members resident in all parts of Canada. No fewer than 150 are initiates of the Lodge, 205 members of the Lodge are on active service in H. M. Forces.

Mr. Hugh Strain Carmichael, the newly-elected W. M. of Canada Lodge, is a native of Glasgow. He has been connected with the Transatlantic steamship trade since 1888, when he joined the staff of the State Line, which in 1891 was taken over by the Allan Line. In 1896 he commenced his long connection with the Canadian Pacific Company at Glasgow. Allan Lines, Mr. Carmichael has occupied the position of passenger and freight manager, and has his headquarters at Waterloo Place, London, England.
