

strike out certain words which the House has already decided shall form part of the question ;

And the House having continued to sit till after Twelve of the clock, on Thursday morning ;

Thursday, 23rd March, 1871.

Mr. Speaker decided as follows :—“ The point of Order is well taken. It seems conclusively so by English authority, and there is good reason for it. The House has pronounced its decision upon the proposition that salt and other articles shall form part of the Question to be submitted to the House, and now the House is asked to say that they shall be struck out of the Question.

“ This would be a contradiction and is clearly out of Order.”

And the Question being again proposed on the amendment to the Original Question as amended ;

Mr. Currier moved, in amendment thereunto, seconded by Mr. Savary, That the words “ and Pork,” be added at the end thereof ; And a Debate arising thereupon : The said Motion was, with leave of the House, withdrawn.

And the Question being put on the amendment to the Original Question as amended, the House divided : and the names being called for, they were taken down, as follow :
