February 28th., 1919.

Sir,-

I beg to say that the Department has received a letter from Adolphus Callineo, of Mitchell's Reserve, and also a letter from William Moran, who apparently belongs to the same reserve. Each of these men has made application for a loan wherewith to carry on farming operations. Copies of the said letters are transmitted herewith, and the Department desires a definite report and recommendation from you in each case. I may say that in the event of loans being made, it will be necessary for the Department to have ample security with regard to repayment and the consent of the Fund in each case will also have to be obtained.

Your obedient servant,

[Handwritten Signature]
 Asst. Deputy and Secretary.
