Dear Sir:-

Replying to your favor of October 24th/. Would say that your machine reached us late in the day of October 23rd., we are shipping you new machine #285245 to take its place, and would ask you to return without delay, the Model "H" which you have on loan. We are very anxious to receive the Model "H" as we are holding up shipment to G. W. Todd & Co., of returned machines, pending its arrival.

It would seem that the trouble with your original Check Writer was that a piece of its mechanism had evidently worked a little loose in shipping it, and the attempt to run it in this condition injured it very badly.

Trusting that the above arrangement will meet with your approval, we remain,

Very truly yours,

The R. E. Holland Co.
