VICTORIA GAS CO., LTD.,

City.

DEAR SIR:—

Having used gas for sometime, it gives me great pleasure to testify to its comfort in the house. It is clean, economical and always ready. No family should be without a gas range where it is obtainable.

Yours truly,

(Mrs.) H. F. LANGTON,

GENTLEMEN:—

We are pleased to be able to report most favorably on the appliances you installed in our restaurant some time ago. We are doing all our cooking by gas. Our kitchen is as clean and dust-free as possible; and we can report a decrease in expense since we put in these modern appliances.

Yours truly,
