

CARNEFAC

demonstrates its merits at the home of the Ontario Agricultural College, Guelph, producing again calves of wonderful weights.

- 1st, \$40—J. Curry, Everton, Ont., calf born Jan. 13, weight 802 lbs.
 and, \$20—Geo. Amos, Moffat, Ont., heifer calf born Jan. 18, weight 722 lbs.
 3rd, \$15—A. McQuillin, Guelph, heifer calf born Jan. 16, weight 709 lbs.
 Other five of exceptional weights competed.

Carnefac bears the proud record of producing not only the heaviest calves ever shown in Canada but being the feed used by most successful exhibitors of all classes of live stock. If you have not used it you have no idea of the profits to be derived.

The Canadian Portable Fence Co., Limited

Toronto, Canada.

To get the full value of a Wire Fence it must be properly stretched. This cannot be done without strong, rigid posts. We guarantee that our Steel Truss End Posts are the only ones on the market that will stretch a wire fence accurately and permanently. Our Posts are fire-proof, weather-proof, stock-proof, easily set, adjustable, will not heave with frost. Write us for Catalogue, information, etc.

If you only knew how much more money you could make with an

Empire Cream Separator

on the farm, we don't believe you'd hesitate a day before buying one. Our books about the Empire Way of running the dairy are free. They point the way to bigger profits. Send in your name.
