Farming is such a complex business that each year Farm and Dairy devotes special attention to the various lines of work. We do this through our series of Special Issues as above. The numbers for 1915 will be better than ever—even better than those that were so much appreciated during the past year. Our readers can assist in making these specially helpful and interesting. Send along your suggestions. If you have a "proven idea" or photos that you know will interest, it will please us to get them to our 15,000 dairy readers. If you are a lover of good poultry, you'll enjoy this first big number—"Farm Poultry Issue" out on Feb. 4th.
