When Writing Mention FARM & DAIRY

Eggs and Poultry.
There has been an increased demand from English importers for Canadian eggs at prices two to three cents a dozen higher than those offered last week. At the same time a slight falling off in receipts has been noted. Eggs at country points therefore have not yet been filled. Cold storage eggs have been greatly reduced during the past two weeks.

There has been a marked increase in receipts of live poultry during the past week, and some of the large dealers have commenced ordering. Their demands, however, have not yet been filled. Cold storage stock has been greatly reduced during the past two weeks.
