ALICE A. SINCLAIR,
Treasurer.

REPORT OF PAROCHIAL MISSIONARY COLLECTIONS.

FOR THE YEAR FROM MARCH 1905 TO
FEB. 28, 1906.

The work of the P.M.C. in St. Alban's Branch has been carried on by means of monthly house to house collections and the envelope system, which was introduced last year and has increased from nineteen to forty subscribers. We have three new collectors this year, making in all, eight, and their work has been most satisfactory.

The Collections in this Branch are devoted entirely to Diocesan Missions.

Although the congregation has been thoroughly canvassed, the receipts are somewhat less than last year, owing to the fact that people are responding more largely to the Bishop's appeal, many preferring to increase their subscriptions in that direction.

RECEIPTS.	
Collector's books	\$79 35
Envelopes	47 10
	\$126 45

Respectfully submitted,

VIRGINIA C. CANAVAN, *Sec.-Treas.*

MARCH 2nd, 1906.

ANNUAL REPORT OF THE GIRLS' JUNIOR BRANCH OF THE W. A.

Through the help of Almighty God the Girls' Junior Branch of the W. A. has been enabled to hold *twenty-four* meetings during the past year.

We have had a membership of 43 this year, apparently much less than the membership of last year, which was 63, but this falling off is not real as 6 of our members (boys) were transferred to the boys' branch, and some children have moved from the neighbourhood.

The average attendance of each week was 24, three of our children have attended 23 meeting, and one child 22 meetings, which entitles them to receive prizes.

On December 13th, and May 3rd we had our tea parties at which we were glad to welcome the senior members of our branch. At our gathering of Dec. 13 we made \$5.03, and on May 3rd we realized \$4.06 from which gave to the boys \$1.50.

We had a present from Miss Drew, an old friend, of \$3, which greatly aided us in paying our pledges.

We sent in December a bale of 50 Christmas presents to Mr. Battersby of Haultain, for the Sunday School Children.

Our present pledges are:—

1. To the Japanese kindergarten.....\$1
2. To St. Alban's Cathedral..... 1
3. To Blackfoot Home..... 1
4. To new pledge of untainted children in China junior branch..... 1
5. To Blackfoot Hospital..... 1

Total \$5

The Children are studying the history of the Church's dioceses in Canada. They are now engaged in the history of the diocese of Toronto, in which they seem to be much interested, as each child is named after one diocese, in the class.

Our present work is for the Rev. Mr. White of White-fish Lake, and will be sent with Seniors' bale.

(Signed) ALICE McCOLLUM,
Superintendent.

St. Alban's Cathedral, March 7th, 1906.
