Much More Activity Taking Place in This Depart. BIRCHENOUGH SENTENCED The company's expenditure last year was as folment-Delay of Government in Paying Compensation for War Damages.

In a recent paragraph in this correspondence something was said about the delay of the Govern-Subjective de Chicoutimi, June 10.—Several thouse such cases. But it appears that the vicar of Scarbington and dollars' worth of damage has been caused here the subject fires and a number of houses are threatened derstand" that the Government would allot compensative and anything. No one likes to wait six months for satisfaction when biville, June 10.—A dense cloud of smoke covers damage has been inflicted, and this statement is the Saguenay district and at many places here the undoubtedly an argument in favor of insurance.

The President of the Board of Trade in reply to a question as to the approximate loss which fails presents the sum payable on about 350 lives, and a question as to the approximate loss which fails presents the sum payable on about 350 lives, and a question as to the approximate loss which fails presents the sum payable on about 350 lives, and sincer Ritchie when the analyst's report on the cloth Potyl has been destroyed with a large quantity of ing of the Lusitania and her cargo, replied that the ing of the Lusitania and her cargo, Lusitania was insured under the Government scheme.

The amount of insurance was, of course, large, but

MARITIME PROVINCE SECURITIES

At the fire department headquarters yesterday, Commissioner Latulippe conducted an inquiry into

> The Commissioner of Police issued a solemn notice from Scotland Yard, advising members of the public in the event of an air raid to take refuge in thei houses, and also to keep windows and doors on the lower fleors closed, so as to prevent the admission of deleterious gases. This warning coming simul ing the new Zeppelins with which the enemy ar preparing to attack the metropolis, ought to mak Londoners' flesh creep. But, as at Southend, Rams gate and other places visited by German aircraft there has been no panic or scuttling into cellars, bu rather display of outdoor activity on the part of citi zens anxious to see what is going on, so also it ma be taken for granted that when the "gas-bags" d come, Londoners will be out to see the fires—no hiding in underground cellars. The question of tak ing precautions by insuring is another matter, and it is only reasonable to think that the once-derided aircraft insurance will continue to attract many cus

The news of the terrible Gretna collision—the the valve was found to be closed. Under cross-ex-

week, June 10.—A large number of men has been ment in paying compensation as compared with the forest fires which are raging in many tes a claim. That this was no libel may be gartest the Province of Quebec. A very violent outthered from a statement in the Church paper, there are riginal to the Province of Quebec. A very violent outthered from a statement in the Church paper, the fact that a socurred in the region of the Saguenay, Cuardian, which refers to the fact that a social to the delay of the Government of Lands and Forests to promotiness with which an insurance company settlement of the official receiver, had liabilities of £138.899, assets £250, and a deficiency of £288.078 in regard to contributories.

Mr. Harris Wener was then receiled to the stand and examined by Mr. Nain concerning the evidence which are standed and examined by Mr. Nain concerning the evidence which are standed and examined by Mr. Nain concerning the evidence which are stated as the had given at the last hearing. On that occasion, Mr. Wener had testified that he had only had one previous fire, on which occasion his premises and those adjoining had been stated. he had received compensation in amounts from \$20 to

that there had been a falling off since 1912. In some English insurance companies have paid claims cases he had been obliged to refuse orders because amounting to \$500,000 in connection with the logs of life by the sinking of the Lusitania. This re- were bad.

sioner Ritchie when the analyst's report on the cloth ropes found in the building has been received.

The amount of insurance was, of course, large, but the amount for three other fires. In the case of the outbreak in the writers. The decrease of twenty-two millions in the which particular ships are insured under the war (Quelations furnished by J. C. Mackintosh & Co., St. James Hotel, 542 St. James street, on June 3, losses for the first five months of this year raises the members Montreal Stock Exchange, 156 Hollis Michel Yacurto, who was in charge of the elevators hope that even should 1915 repeat during the last few and machinery, expressed the opinion that the cause months the record of 1914 there would still be a bet-Asked. Bid. was a hot box.

The origin of the fire which broke out in the cellar of the Great Britain Lunch, 530 St. James street, at 6.57 a.m. on June 4, was found to be a lighted match thrown in a pile of rubbish in the cellar by an employe after lighting his pipe. 6 Defective electric wiring was the cause of the fire

in the printing office of S. A. Paquin, 225 Maisonneuve street. The blaze occurred on June 4. C. A Therrien, who has a book-bindery in the same building, said there had been trouble with the electric lights on the night of the fire.

MR. COHEN RETURNS HOME.

Mr. S. W. Cohen, managing-director of the Crown Reserve Mining Company, who has just returned from the Republic of Nicaragua, says that the Government of that country is stable. It would, he believes, offer any necessary protection to foreign investments.

MONTH'S FIRE LOSS FOUR MILLION LESS

Total for Canada and U. S. in May was \$11,388.450 Compared With \$15,-507,800 Year ago

NO CONFLAGRATIONS

Were Well Distributed Throughout the Country-248 Fires Occurred Causing Damage of More Than \$10,000 Each.

The losses by fire in the United States and Canada during the month of May, as compiled from the records of the New York Journal of Commerce and Mrs. Wilfrid Laporte sold to Joseph Tremblay and Commercial Bulletin, aggregate \$11,388,450, as comothers the north half of lot No. 11-1117. Cote St. pared with \$15,507,800 charged against May last year.

Louis, with buildings Nos. 2717 and 2719 Clarke st., a decrease of over four million dollars. The losses for the first five months of this year total \$81,497,050,

The E. Cavanagh Company, Limited, sold to Lotne
M. Macmillan lot No. 156-106, parish of Montreal,
with a cottage at No. 354 West Hill avenue, Notre
