

### The Pilot Superior System is Healthful and Sanitary

The PILOT SUPERIOR is a very sanitary furnace. No dirt nor dust can come through the register, because the heat from the PILOT SUPERIOR is generated directly from the hot castings and circulates by nature's method through the register. All castings are air-tight, and there are no leaky joints or pipes to take up the dust and gas produced in the firebox. Curtains, draperies and other fabrics that are easily soiled, remain fresh and clean for a remarkably long time in PILOT SUPERIOR heated homes. A PILOT SUPERIOR PIPELESS FURNACE can be installed in six hours. Write for particulars.
