

YOU ARE TO BE THE JUDGE

YOU ARE TO BE THE ONE

to say whether it is or isn't; whether you will or you won't; whether we are RIGHT or wrong. We leave it TO YOU entirely, for YOU to decide. The only evidence we want to submit is a dollar package of VITÆ-ORE, which package we want you to USE, and at our risk.

ALL we ask is a FAIR VERDICT. We say, if you are sick, that VITÆ-ORE WILL CURE YOU. We say that ONE PACKAGE will PROVE to you that it is the remedy for your case and condition. If it does not, YOU TO BE THE JUDGE, we want nothing from you.

Our Special Offer:

WE WILL SEND to every worthy sick and ailing person who writes, mentioning The Farmer's Advocate, a full-sized \$1 package of VITÆ-ORE by mail, POSTPAID, sufficient for one month's continuous treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. We do not offer to send you a free sample to last three or four days, but we do offer to send you a regular \$1 package of the most successful curative medicine known to the civilized world, without one cent of risk to you. We offer to give you thirty days to try the medicine, thirty days to see results before you need pay us one cent, and you do not pay the one cent unless you do see the results. You are to be the judge! We know that when VITÆ-ORE has put you on the road to a cure you will be more than willing to pay. We are willing to take the risk.

What Vitæ-Ore is: Vitæ-Ore is a natural, hard, adamantite, rock-like substance—mineral—ORE—mined from the ground like gold and silver, in the neighborhood of a once powerful but now extinct mineral spring. It requires 20 years for oxidation by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains free iron, free sulphur and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drunk fresh from its springs. It is a geological discovery, in which there is nothing added or taken from. It is the marvel of the century for curing

Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility,

as thousands testify, and as no one, answering this writing for a package, will deny after using. Vitæ-Ore has cured more chronic, obstinate, pronounced incurable cases than any other known medicine and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines or doctor's prescription which it is possible to procure.

VITÆ-ORE will do the same for you as it has for hundreds of readers of this paper, if you will give it a trial. Send for a \$1 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitæ-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention this paper, so we may know that you are entitled to this liberal offer.

This offer will challenge the attention and consideration and afterward the gratitude of every living person who desires better health or who suffers pains, ills and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation, and at our expense, regardless of what ills you have, by sending to us for a package.

Permanent Cures

In making the claim a quarter of a century ago that Vitæ-Ore is the best thing in, on or out of the earth for sick, ailing or suffering people, we made it unreservedly

and unqualifiedly, without any stipulation or "saving clause," knowing from our experience and from the experience of the few who had already used it at that early date, that its virtues and curative properties would fully substantiate this claim; that it was the best, not only because it gave relief from pain and the effects of disease, but that it cured the disease, and cured it effectually and permanently, hence the reason for the lines we have so often used in our advertisements and literature: "Get cured and stay cured," and "Not only immediate relief, but a permanent cure." Too many preparations are put on the market and advertised to give relief, too few to cure.

The test of a medicine is not so much in the experience and immediate testimony from the use of one package or bottle, but in the experience of people written months or years after they have used that one package or bottle, and who testify that it cured them at that time, and that they have never had a recurrence of the malady. How many of the testimonials you see published in the papers of the land are such testimonials, how many who testify that they were and are permanently cured? Vitæ-Ore has thousands upon thousands of such experiences to its credit. It has been before the public for a quarter of a century, and it is curing people by the thousands to-day, of all manner of diseases, who will still be cured at a date a quarter of a century hence. We have repeatedly received letters from people who wrote us testimonial letters years ago, now saying that they have had absolutely no return of the trouble or troubles. Vitæ-Ore strikes the disease at its root, entirely eradicates every vestige or trace, and the patient is cured to stay cured. Its cures are permanent, and for this reason it itself is a permanent remedy, one that has come to stay, that will grow in popularity and sell more rapidly from year to year, always curing with a permanent cure, always satisfying, always selling.

Impure Blood

Almost everyone in this latitude is a sufferer from diseases caused by IMPURE BLOOD, the corner-stone of more ills than all other causes combined, and only here and there one recognizes that in his blood lurks the seeds of disease, ready to take root and manifest themselves at the first opportunity in some of the innumerable hideous ways so dreaded by everybody. Every neighborhood has its afflicted, many seemingly inextricable, with complaints that have gradually and almost imperceptibly made their appearance, growing a little worse with each change of the season until Chronic Ailments are well seated and developed in the system, such as Stomach, Liver and Bowel Troubles. Each takes one or more forms peculiar to such diseases, but all are due to Impure Blood, to the absence from the blood of some necessary vital force, or the presence of some foreign element, which impairs its powers to faithfully perform its duties to the system, causing a long list of complaints which yearly drag thousands to the grave.

To purify the blood, eradicate disease, build up the system, Vitæ-Ore is without a peer among remedial agents. No other remedy so constant can equal it as a powerful constitutional tonic, a blood vitæ-Ore, a restorer and regenerator. It contains, as its constitution it parts, all the elements needed by the blood, which are absorbed by the thousand of minute blood corpuscles, and taking their proper place in the circulation, and all foreign secretions which have been undermining the system, it supplies the wants of nature, is her able assistant and one recommended upon to do its work under all conditions.

Under its influence, the watery, impoverished blood becomes strong and healthy, and through the veins imparts the color of health to the face, and strength and vigor to the system.

DESPAIRED OF LIVING.

A CHRONIC CASE OF STOMACH TROUBLE CURED IN QUICK TIME.

Read What an Edmonton Man Says of Vitæ-Ore.

Edmonton, Alta., N.-W. T. I had been troubled almost all my life with a Stomach Disorder, and tried hundreds of remedies—in fact, every one I heard of for that trouble—with no permanent relief. About three

years ago it developed so severely that I was compelled to give up work and almost despaired of living much longer; in truth, I did not think in my condition life was worth the living. Seeing Vitæ-Ore advertised in my paper on thirty days' trial I procured a package, and at the end of the month's treatment I had such relief that I bought two more packages. When I had finished the second package I had begun to gain in flesh, and when I had taken the third package I was strong and healthy, weighing more than I ever did before, and I am now enjoying a health and comfort that words cannot express. I think Vitæ-Ore is the best Stomach remedy that can be had, and to all afflicted with Stomach Troubles it cannot be too highly recommended. M. M. JOHNSTON.

GAINED TEN POUNDS IN WEIGHT

Suffered for Five Years from General Debility: Two Years from Indigestion and Salt Rheum.

Clinton, Ont. I wish to tell what Vitæ-Ore has done for me, in the hope that it may help others to be cured as I have been. I had been suffering for five years with General Debility and Neuralgia in my head, and two years ago I began to be troubled with Indigestion and Salt Rheum, the latter appearing on my hands, and could hardly eat or sleep. Although I doctored with some good doctors, I received no benefit until I commenced using Vitæ-Ore, and before I used all of two packages I had gained ten pounds. Three packages of Vitæ-Ore have made me a new woman. MRS. MARY KROOT.

Cured After Seven Years' Suffering

READ WHAT A QUEBEC MAN SAYS.

Lance Au Beaufils, Que. After suffering for about seven years with Rheumatism my attention was called to Vitæ-Ore, and as I had tried nearly everything else recommended to me I decided to give it a trial also. The result was far different from the other medicines and treatments I have used, as I am now cured of my trouble. Mine has certainly been a hard and obstinate case, which gives Vitæ-Ore all the more triumph for having accomplished what all others could not. ALFRED LENSFESTREY.

RELIEF INSTANTANEOUS.

Cured in Remarkably Short Time of Catarrh of Throat and Serious Stomach Trouble.

Chesterfield, Ont. The Vitæ-Ore treatment has done wonders for my wife. She has been troubled for years with Catarrh of the Throat, and also Stomach Trouble, manifested by an accumulation of gas on the stomach after eating. The treatment in her case brought almost instantaneous results, and we both feel jubilant over it. JOHN RISK.

IN PAIN NIGHT AND DAY.

Cured Like Magic With One Package.

Lancaster, Ont. For two years past I was in pain night and day through an attack of Rheumatism that seemed to be chronic, and could hardly move my arms or put on my coat without help. I am very glad to say that I am now entirely cured and have had no pain whatsoever for the last two months, which cure was brought about entirely by the Vitæ-Ore treatment. I used only one package of Vitæ-Ore but it worked like magic in my case. I thank God for what it has done for me, a thing which I believe it will accomplish for anyone suffering with this trouble. W. H. WEBBER.
