

"CLARKE'S"

gloves, mitts and moccasins represent a family of genuine leather values.

All are branded.

You always receive a full measure of value when "Clarke's" name is on the goods.

When you buy our celebrated horsehide mitts and gloves you get the real thing—not cowhide. Same idea holds good all through our different lines.

All good dealers have them.

A. R. Clarke & Co.
Limited,
Toronto, Canada.

Morris & Wellington, Fonthill, Ont.

GOSSIP.

INGLESIDE AYRSHIRES.

In the County of Victoria, Ont., ten miles from Lorneville Junction on the west and Fenelon Falls on the east, lies Ingleside Stock Farm, the property of Mr. H. C. Hamill, breeder of Ayrshire cattle. The herd numbers 25 head of exceptionally choicely-bred animals. The stock bull is Aberdeen 16917, by Lord Roberts, a son of the champion cow, Jean Armour, dam Imp. Primrose of Harperland. He is an ideal type of the breed, and a first-prize and championship winner. One of the nicest types of up-to-date dairy cows we have seen for many a day is Beauty of Ingleside 17301, by Robin of Ingleside, a son of White Chief of Ste. Annes. She is a cow built on prizewinning lines, and has always got first place, and has been in some pretty hot company. She has a rare nice heifer calf, by the stock bull. Another extra choice cow is Minerva 17086, by Imp. Prince of Barcheskie. She also is a show cow of a high order, and also has a grand heifer calf, by the stock bull. These are representative of several other females in the herd. Among the younger ones is one that has few equals, a two-year-old daughter of Imp. Lessnessock Royal Star, and out of the great show cow, Snow Flake, a daughter of Prince of Barcheskie. This heifer is a winner, and likely to continue a winner. Then there are a number of yearling heifers and heifer calves. Mr. Hamill has lately purchased as a coming stock bull a young son of Comrade's Heir of Glenora 11996, he by Comrade of Garlaiff (imp.), dam Addington Queen, that at thirty-six months old gave 9,225 lbs. of milk in the milking season, and won the dairy test at Guelph. For the last five years this herd has practically won everything in sight at a number of the leading northern shows, including Lindsay, and won the dairy herd prize over all breeds. For sale are young stock of both sexes. Write Mr. Hamill, to Islay P. O., Ont.

EVERGREEN DAIRY FARM HOLSTEINS.

Evergreen Dairy Farm, the property of Messrs. F. C. Pettit & Son, lies in Oxford County, Ont., 12 miles south-east of Woodstock, and 2 miles from Burgessville Station, G. T. R., and is the home of 37 head of high-class Holstein cattle, at the head of which is the massive, ton-weight bull, Prince Pauline De Kol, bred by Edward Sanford, Warwick, N. Y., out of a 4 per cent. butter-fat cow. He has now ten daughters in the Advanced Registry with two-year-old records, on an 85-per-cent. basis, of from 10.57 to 16.33 lbs. of butter in seven days, and milk records of from 37 to 58 lbs. a day. All the young stuff in the herd is by him, and he is now for sale, as his heifers are coming on. To follow him as stock bull is Mercena's Faforit, by Mercena's Sir Posch, whose dam, Mercena 3rd, has an official butter record of 25 lbs. in seven days, and milk record of 83½ lbs. a day, dam the great Faforit 7th, Toronto sweepstakes cow for two years, with a four-year-old butter record of 21 lbs. in seven days. The average yearly milk yield of the herd is 10,000 lbs. each, and daily averages from 42 lbs. for two-year-olds to 73 lbs. for four-year-olds. Several of them have been tested, and are in the A. R., notably among them being Lady Princess De Kol, at two years old, 43 lbs. milk a day, 10.66 lbs. butter in seven days, and her half-sister, Tidy Princess De Kol, at four years, 68 lbs. milk, 14.23 lbs. butter. This cow has a splendid nine-months-old bull calf, by the stock bull, Lady Roberts, at three years ten months, 68 lbs. 13 ozs. milk a day, 11,750 lbs. a year, and 17.06 lbs. butter in seven days, and stood first in order of merit in Canada that year, her daughter, Lady Roberts 2nd, at two years, 45 lbs. milk, 10.57 lbs. butter in seven days; Lady Freeman's Aggie, at three years, 66 lbs. milk, 12.21 lbs. butter. She has an eight-months-old bull calf by the stock bull, Jennie Pauline De Kol, at one year eleven months, 47 lbs. milk, and 10.83 lbs. butter. All this must be remembered, were estimated on the 85-per-cent. basis. For sale are, besides the old stock bull above mentioned, five young bulls (spring calves), and by the stock bull, and out of prize-winning dams, some of which are in the Advanced Registry. Write the Messrs. Pettit & Son, Burgessville P. O., Ont.

Lump Jaw

The first remedy to cure Lump Jaw was

Fleming's Lump Jaw Cure

and it remains today the standard treatment, with years of success back of it, known to be a cure and guaranteed to cure. Don't experiment with substitutes or imitations. Use it, no matter how old or bad the case or what else you may have tried—your money back if Fleming's Lump Jaw Cure ever fails. Our fair plan of selling, together with exhaustive information on Lump Jaw and its treatment, is given in

Fleming's Vest-Pocket
