Predmontese Gazette of Saturday publishes the

The list given of the new Sardinian Ministry

seems to have been framed not without reference

o an idea ascribed to the new Premier of caus

ing his Cabinet to represent the several Provinces

of Nothern Italy. Thus Sonor Cassinio, the Minister of Justice, a jurist of European repute,

is a Piedmontese. Signor Elena, the Minister

of Putlic Works, represents Genoa. Signor J.cini, the Minister of Finance, a man, we be-

live still young, and known for extensive studies

ard, command ng talent, is a native of Lombardy.

General Fanti, the Minister of War, is from

Mcd ra. Signor Mamiani is from the Romagna.

en neationed as a man who represents Italy.

The real cause which has led to the formation of

a new Ministry is evidently the agreement of

France and England to carry out in I aly the

policy which Count Cavour has, up to this time,

represented. It was the English Government,

is said, which furnished indirectly the occasion of

the fall of the Ministry and the advent of M

Cavour. Lord John Russell appears to have

Lonion to bring about a more complete under-

standing as to the course to be pursued by the

three Governments - The Debats, commenting

upon the reported admission of representatives

of the Duchies to the Piedmontese Parliament

King would be equivalent to the formal and de-

finitive appexation to Piedmont of the revolted

Spain - In an action of the 10th the Moore

came down in considerable force, covering

ground to the extent of one league. They were

posed by seven Spanish battalions. General

Prim routed a large body and pursued them to

within gunebot of Tetuan. The Moorish ac

counts represent the Spanish army at Boczaghul,

time miles from Tetuan, on the southern slope

of the Cape Negro range, overlooking the plains

of Tetuan. Marshal O'Donnell had expressed

his surprise that the enemy allowed him to occupy

this position without a sanguinary battle. The

of blind and furious fanaticism, dashing them-

selves against the very muzzles of the cannon,

detending impregnable positions, and at other times neglecting to profit by striking a blow to

opened in Madrid, amounted in four days to

HUNGARY - PESTH, Jan 19 .- The renewal

the return of Count Cavour to power in Pied-

mont, have been received with the greatest satis-

faction in Hungary, because they are looked on

as the triumph of English policy, which is non-

intervention. The Hungarians hope that when,

at a day which cannot now be far distant, they

shail d-mand the restora ion of their national

policy will be adherred to. They do not ask for

any help; their own stout arms and brave hearts

will enable them, as they have done before, to

get back their own again;" but they do pray

that when the work is done, no Russian or other

despot may be allowed to sweep down on them

with his legions and trample them under foot.

They think that England, as the elder-born of

free nations, ought not again to allow such a deed

of iniquity to be done, and they believe that it she were resolutely to proclaim "It sha I not be,"

no despot will dare attempt it. The Hungarians

also rejoice at the new commercial policy which

appears likely to be adopted in France, and they

o so because the extension of commercial lib

in fact; be a perfect blessing to Hungary, and

the very first thing the Hangarians would do on

becoming free would be to enter into commercial

relation, with all countries, and especially with

England. With England they could make im

mense exchanges; they could send her wool, to

bacco, wines, fallow, hides, and grain in vast

quantities; and they could take from her cotton

goods, cloth and cutlery. The policy of Austria

is to check by all means the agricultural and

commercial capabilities of Hungary; and if the

latter were once freed from the incubus of the

ormer she would take a development which, I

#### THE GREAT AMERICAN REMEDY

For Purifying the Blood. PHIS is a Purely Vegetable Extract. It contains no powerful drastic drug to debilitate the system, or mineral poison to injure the constitution. Thousands have been cured by this preparation, and tens of thousands may be restored to health by its use.

# ENTIRELY HARMLESS,

so that it cannot injure the most delicate constitution. When in perfect health, no effect is produced by its use When in perfect health, no effect is produced by its use except an increase of appetire; but when disease is seated in the frame and harrying fast its vicious along the pa h of life, then its mysterious influence is feit and seen; it enkindies new life and vigour, and brings health and strength back to the suffering and diseased.

STILL FURTHER TESTIMONY. WEST KILLIGHT, CONM., June 12, 1857

Messrs A B & D Sanus: "GenNemen. - The following case came under my observation, in which your SAB-SAPARILLA effected the cure of a severe case of Chrones Rheumatism. The patient, Mr Joseph K Green, has been afflicted with Rheumatism for years by turns, which sometimes was attended with fever, and pat on an accuse form in a few days. He used various remedies, under the advice of his physician, which produced but partial rehef; and in reply to his inquiry it something could not be done to effect a permanent care. I adviced him to use your Sarsaparilla. He accordingly commenced its use, and the effect was so marked that he was able to sleep the first night comparatively free from pain. He continued first night comparatively tree from pain. He continu it, and before he had taken 12 bottles, he was entire free from the disease, and has remained so since, bei-able to pursue his business, and is now a Representati-for the town of Brookly in nour Legislature.

Very respectfully, yours,
WM A BREWSTER, M. D. WM A BREWSTER, M. D.

No more sickly or ill-conditioned Horses or other Cattle. RELEINIS

# Horse & Cattle May 12 Improving Food

DESTORES the Stamina of ill-conditioned Horses Cows Bullocks, Caives, Sheep and Pags.

It causes no extra Expense as it con ains far more and better nourishment than its cost of 11-5 per feed supplies in corn or hay; hence it ensures an actual saving in the keep. But its principal advantages are a great improvement in the digestive functions, the Stamis and general condition of lioraes, enabling them to perform far more isbour without getting distressed; it imports new vigour to sick, debilitated, or old, apparently worn out Horses, in it puts rapidly the finest field on eatile generally as it enables them to extract the entire nour-shment out of everyhing they feed. In a short time it improves the appearance and value of horses and cattle by 20 to 30 per cent. HONORABLE MENTION AMERICAN EXHIBI-

TION, NEW YORK, 1854. To be had in packages of various sizes, in casks containing about 420 feeds and about 1000 feeds or by the pound. A liberal discount allowed to wholesale purchasers.
