ville, Ky.: I am with you in spirit as I was in person last year. May your deliberations be attended with divine presence and blessing, GEORGE WILLIAMS, London, England.

A communication was also read from I. B. Couve, President of the Y. M. C. A., of Bordeaux, France.

The topic that elicited most enthusiasm was the one on "Work among Railroad Men," a large number of railroad men were present and the discussion was enthusiastic and interesting. The topic "Work in behalf of Colored Men," was one in which the Convention evinced a deep interest. The addresses were entirely from Southern men, all of whom were deeply interested in the question. The topic "How I used my Bible," presented by Rev. Jas. H. Brooks, D.D., of St. Louis, was one that interested all the delegates more than any other question, and the questions which came from all over the house showed how real was their interest in the subject.

Deeply interesting and encouraging reports were made by many delegates of the work carried on by the International Committee in the South, in the West, in Canada, among the railroad men, among Germans, and for colored young men.

The time of the convention was naturally taken up with the work of the State and Provincial committees, and the very important and growing International work conducted by the committee of the convention. The distinctive work for young men of the individual associations, though considered here, is more thoroughly discussed in the twenty four State and Provincial conventions, which have grown out of this parent convention. The questions considered were all practical and full of

The subscription to the International work amounted to six thousand dollars, which will be largely increased by private subscriptions.

The convention concluded its business sessions Saturday evening, and Sunday afternoon a children's meeting, a meeting for young men and the farewell meeting were held,

Many of the most prominent association men of the country are in attendance, and have taken a prominent part in the deliberations of the convention. The convention adjourned on Sunday night, to meet in Baltimore in 1879,

remedy ever discovered for curing it. The following certificate should be read by all the afflicted; it is in every respect true.

A MOST REMAR KABLE CURE.

Tonganarie, Leavenworth Co., Kan., April 2, 1876.

SETH S. HANCE.—Dear. Sir:—The Epileptic Pillis that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and rosy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your Pills advertised in the Christian Instructor. I sent to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had a Fit nor a sympton of one since he commenced taking your Pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have been to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars, so that I can send them to any that I hear of that is afflicted in that way.

Respectfully, etc., LEWIS THORNBRUGH.
