## THE CONQUEST OF ADVERSITY

In one of his illuminating and versatile ages, Bishop William A. Quale tells of the visit to a woman bearing an ailment slowly but surely carrying her toward the grave.

"Have you any good days?" inquired the

But are not the nights long? for hib ad me "All long, but full of His presence" and the

"Are you ever free from pain?"bool to sign

"Oh, never; but I'm never free from peace." tinually running away, but always fresh and and could bear her testimony, as did Job, David, Swedes, while France fast rises in the world of Faul, Saint Barbara, William Cowper, Freeman Falmer, Ira D. Sankey, Fanny Crosby, Toplady are agreed company of worthles quite beyond with them.

And of the Country

That seems to tarly express the attitude of mind of Premier Meighen as set forth in his speech.

The pets of the tariff are to be fuller fed, while the people at large carry

As few have done. Job and David sounded the darker depths of tribulation and reproach. Those who have experienced physical suffering and wits, the late German war, Great Britain how it operates to make them the men and wolf is absolutely amazing in view of her colossal men that they are. If borne bravely and gently are believingly, it serves, as Rev David Smith letes stood so high at Antwerp. Canada also suffered would have remained hidden. Not everyone has descended into an abyss, as did the Psalmist, nor can they always say with him, "It is the late war?

Is and malicious charge, but still it would be producer. In all the speech there is no or or didicatine a poley of expendent and entropy of the darker depths of tribulation and reproach. Those who have experienced physical suffering and wits, the late German war, Great Britain passed with the bighest honors obtainable. It is absolutely amazing in view of her colossal men that they are. If borne bravely and gently losses in mobilest youthful blood that her athward and believingly, it serves, as Rev David Smith letes stood so high at Antwerp. Canada also suffered by rolley and administration don't get anywhere. An instance of the Canada always say with him, "It is the late war?

It was only by making more good for me that I have been afflicted, t ist, nor can they always say with him, "It is the late war?" " as all not robes alligare and a might learn Thy statutes." Out of the depths evolve all the good that is plainly possible for on the other side of the border, ond, first and fifth in the three heats, of despair he rose to a courage that feared not them. If there are shortcomings, let them be ment of which he was a leading member through its wheat board DEATH OF CHILD. of darkness, nor the noonday destruction. Unmakes good Americans out of all sorts of immider trial, too many behave rebelliously, and become hard and embittered. But there are many should make good citizens of the world from the
who can echo David's confession, and, looking splendid young men who flock to them from all
