

Poetry. THE SONS OF TEMPERANCE. From Greenland's icy Mountains...

Miscellaneous. Raising the Salary.—A New Hampshire farmer, going to a parish meeting...

A Modern Farmer's Wife.—A young lady, who perhaps is better acquainted with French than farming...

Walting.—A young gentleman, in describing the effects of his first walk, says he thought he was going to heaven...

Making a Fat Man.—A man, praising porter, said it was an excellent beverage; it always made him fat...

As Good as Punch.—The Pekin Visitor says, "Coming home a few mornings since, we met a man attempting to walk on both sides of the street..."

An old lady of Threadneedle street being at a loss for a pincushion, made one of an onion. On the following morning she found that all her needles had tears in their eyes...

Lorenzo Dow once said to an avaricious, grasping farmer, that if he had the whole world enclosed in a single field, he would not be content without a patch of ground on the outside for potatoes...

Contentment.—At Gibraltar there was a great scarcity of water. An Irish officer said, "He was very easy about the matter, for he had nothing to do with water; if he only got his tea in the morning, and punch at night, it was all that he wanted..."

Bashfulness.—"Betty," said the house mistress the other day to her newly acquired maid, "Why do you not rise early in the morning—have the fires made, and the breakfast prepared in better season?" "Why, ma'am," said Betty, fearing to tell the truth, "I'm dreadful bashful, and I'm afraid of folks; that's what makes me so late..."

Inconvenient Haste.—A clam merchant, meeting one of his own fraternity the other day, whose pony might be considered as a beautiful specimen of an equine skeleton, remonstrated with the owner, and asked him if he ever fed him. "Ever fed him! Come now! that's a good 'un," was the reply; "he's got a bushel and a half o' oats at home now, only he hain't no time to eat 'em..."

"This animal," said Wombell's showman the other day, "is the royal African hyena, measuring fourteen feet from the tip of his nose to the end of his tail, and the same distance back again, making in all twenty-eight feet. He cries in the night season like a human being in distress, and then devours all that comes to his assistance—a sad instance of the depravity of human nature..."

A Question for Mathematicians.—Amongst the many novelties in the Exhibition, the smallest, although not the least, is in the case fitted up by Mr. George Jamieson, Silversmith, Aberdeen. It is three dozen of silver spoons, so small, that the lot are easily carried in an ordinary sized cherry-stone; and the three dozen only three-fourths of a grain each, would be a nice question to the student to find their value at the rate of silver spoons—viz., 7s. 4d. per ounce.

Farm Produce taken in exchange. ROBERT BURNETT. Guelph, April 15, 1851. 199-1f.

PUBLIC NOTICE.

THE Subscriber intimates to his friends and customers, that as he has hitherto lost a great deal of time in hunting up his debtors,—many of whom do not pay, not from the want of MEANS so much as from the want of a WILL,—he intends to alter the system; and he has therefore to inform all those whose accounts are overdue, that if settlements are not immediately effected, such accounts will very soon be put in suit. In the meantime,—as regards credit—except in the case of customers who have the will, as well as the means, to pay their debts in proper time—Jack has gone into his shell.

JOHN HORNING. Guelph, 11th March, 1851. 194-1f.

DO NOT NEGLECT IT.

CONSUMPTION can be and has been cured in thousands of cases by this only certain remedy, JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT. And no remedy has ever before been discovered that will certainly CURE CONSUMPTION. The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION. Caution.—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New York, on the splendid Wrapper around the bottle.

OF INTEREST TO ALL. To the Old and Young!—Ho! Ye Red Heads and Grey!!!—Phenomenon in Chemistry!!! EAST INDIA HAIR DYE, COLORES THE HAIR, AND WILL NOT THE SKIN. This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble, keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin, will not color it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete on the wrapper. There is no coloring in this statement, as one can easily test. These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. CROCKROCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

Dr. Spohn's Sick Headache Remedy. Why will you suffer with that distressing complaint, when a remedy is at hand that will not fail to cure you? This remedy will effectually destroy any attack of headache, either nervous or bilious. It has cured cases of 20 years standing. TO THE LADIES. The Genuine Balm of Columbia for Restoring the Hair. "Long hair is a glory to woman," says Paul. And all feel the force of the quotation. Preserve it then, ladies, your glory may fall. Unless you protect it with this preparation. If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia, in cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this Balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes are filled, by which means thousands (whose hair was as gray as the Asiatic eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever, it will cure the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and is a perfume for the toilet unequalled. It holds three times as much as other miscalled hair restoratives, and is more effective. Caution.—Never buy it unless you find the name of Comstock, on the wrapper, or on the wrapper of each bottle, or you are cheated with a counterfeit article.

FOR FEMALE AND MALE. Dr. Larzette's Juno Cordial, or Procreative Elixir. Nature's Great Restorative and remedy for those in the married state without offspring. Also, a certain remedy for Inept Consumption, Indigestion, loss of Muscular Energy, &c. Caution.—This celebrated medicine cannot be genuine unless the fac simile signature of Judson & Co. (N. B. the only American agents) is on the wrapper of each bottle.

Comstock's Stove and Grate Varnish. Pronounced by thousands who have used it, to be the best article ever known for polishing Stoves, Grates, and every description of Iron work. It prevents rust, gives a jet black polish like that of a coach body, which stands on Iron, &c. for years.

To Owners of and Dealers in Horses. Carlton's Founder Ointment, For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Cuts, Wounds, Bruises in the Flesh, Cracked Backs, Cracked Heels, Scratches, &c., on Horses. Carlton's Ring-Bone Cure, For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy. This Ring-Bone Cure and the Founder Ointment are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety nine cases out of one hundred any of the above complaints. They have been used by Farmers, Livestockmen, Stage Proprietors, and others, with the most marked and decided success.

Have you a Cough? Do not Neglect it. Thousands have met a premature death from want of attention to a common Cold. The Rev. Dr. BARTHOLOMEW'S Expectorant Pink Syrup Will most positively give relief, and save you from the most awful disease Pulmonary Consumption, which annually sweeps into the grave thousands of the young, the old, the lovely and the gay.

CAUTION. All the above articles are sold by A. & N. HIGINBOTHAM, and F. W. STONE, Guelph; ELLIOTT & THORNTON, Dundas; HAMILTON & KNEESHAW, Hamilton, and by one Agent in every Town in Canada. Also, by COMSTOCK & BROTHER, 9, John Street, New York. Call at the above places, and ask for COMSTOCK'S ALMANAC, which will be given gratis. Guelph, Feb. 15, 1851. 191.
