No other form of investment answering these requirements is more satisfactory than the Debentures issued by The Royal Loan & Savings Company.

The Laws of the Province of Ontario authorize Executors and Trustees to invest Trust Funds in these Debentures, which is the very best evidence of the security afforded by this form of investment. These Debentures are issued by

London, Aug. 17.—A despatch from Sofia to Reuter's Telegram Company says that the Turkish authorities at Constantinople have ordered the American gunboat Scorpion, which had been in those waters for some time, to take up her moorings in the inner part of the Golden Horn. Ambassador Morgenthau's protests were unavailing, the despatch says, but he was able to utilize the occasion to settle some minor questions which have been pending. The shortage of coal in Constantinople is expected to result in discontinuance of the electric lighting and street car service.

GERMANY MAY BE ASKED TO RECALL EMBASSY

Washington, Aug. 16.—Officials of the Administration are engaged with the charges and disclosures that are now appearing daily in certain newspapers in regard to the activities of German diplomatic and secret service agents in the United States. Washington authorities are not ready as yet to express any opinion as to whether or not the facts thus far disclosed warrant action by this government either in the way of withdrawing German diplomatic representatives. The attitude of the President and State department is that the present is simply one of waiting, and no decision is likely to be reached until they are convinced that all available facts are in their possession. Among Government officials there is a disposition to be conservative in regard to these disclosures affecting Germany's diplomatic representatives in this country. In all the mass of charges against German representatives that has appeared in the public prints recently there is however, according to Washington official view, one thing that stands out clearly, and that is that there is ample ground for complaint against the extra-diplomatic activities of the Kaiser's representatives in this country. Under ordinary circumstances this alone probably would furnish the basis for action by this government, but the strained relations between the United States and Germany over the submarine issue has led this Government to close its eyes to many things that otherwise would not be tolerated. The President and his advisers have felt that this was the wiser course. Secretary Lansing said yesterday that the State department had not ordered any investigation of the charges. At the Department of Justice no comment was obtainable in regard to the disclosures. It is known, however, that Mr. Gregory's secret service agents have been busy for several weeks investigating clues in regard to the activities of German agents and diplomatic representatives.

REACHED SHORE WITHOUT ANY OPPOSITION

Excursions from points in Ontario to Manitoba, Saskatchewan and Alberta will be run, and special trains operated, making the trip in about thirty-six hours and avoiding any change of cars or transfers. "Going trip West" \$12.00 to Winnipeg. "Return trip East" \$18.00 from Winnipeg. Consult C. P. R. Agents regarding particulars in connection with transportation west of Winnipeg."
