SEMI CENTENNIAL **CELEBRATION OF** ONE DAY ONLY

Decision Reached at Special Meeting of Executive Last Evening

duration of the Semi-Centennial celebration to be held here on July the 1st and 2nd, at a special meeting of the executive called last night for the purpose of finally deciding whether the programme would exwhether the programme would extend over one or two days, exclusive of Sunday, July 1st. Each member present was heard from including, Messrs A. B. Burnley. G. A. Ward, A. T. Whittaker, D. J. Lewis, J. C. Waller, J. A. Powell, M. M. Mac-Bride, F. C. Harp, George Jennings, Wm. Lane, L. S. Armstrong, H. C. Wm. Lane, I. S. Armstrong, H. C. Clements, J. G. Liddell, F. S. Blain, and Chairman, S. P. Pitcher and the trend of opinion in favor of a one day effort following the "go > Church" Sunday

Mr. J. G. Liddell stated that in ome quarters throughout the city here was a cerain hostility and ad-there was a certain hostility and adverse sentiment toward the celebra tion, and as a public meeting had been called at the inception of the movement to which all citizens were invited and given an opportuniy to express their opinions, that since these critics had not been then interested enough to be present on that occasion, that the least they could now do was to remain silent and not hinder the committee in

What About the Clergy? It having been decisively settled that one week day only would be devoted to the celebration, the question arose as to what the ministerial alliance, who had asked for representation on the executive, were pro-posing for the "go to church" Sun-House of Commons on the Irish day. As no member of that body question, and outline the govern-was present, and none of the centennial committee was in any way ac- aroused deep interest in the proceedquainted with their intentions it was ings. The debate hinges on a resoluthough by some that there was evid- tion which will be moved by T. P ent lack of interest on the part of the pastors of the city, Mr. M. M. O'Connor, on behalf of the Nationalists. The resolution reads as follows; MacBride especially taking that "That with a view to strengthen-view that as the ministers had been ing the hands of the Allies in achiev-

tion, he believed it to be a signific-ant fact that the ministers of the long promised to her.' ant fact that the ministers of the city should be so active in a "questionable" matter, and yet so conspicuous by their absence in an air fair that promised to elevate the community. In reply Mr. Liddell declared that he had personally received the assurance from several ministers of the city of their heartiest co-operation. In the interim beiest co-operation. In the interim be and Sir John Lonsdale was prepartween the present and the next reg- ed to explain the views of the Irish ular meeting of the executive the Unionist committee deputed for that pur-pose will interview the ministerial alliance and endeavour to gain some enlightenment as to their intentions.

BABY'S OWN TABLETS USED TEN YEARS

Mrs. C. E. Stillwell, Winthrope, Sask., writes: "I have used Baby's Own Tablets for the past ten years and have found them so good for my little ones that I always keep a box in the house." Mrs. Stillwell is one of the thousands of mothers who always keep the Tablets on hand. Once a mother has used them for her little ones she would use nothing else. They are absol-utely free from opiates and injurious drugs and cannot possibly do harm to the youngest child. They are sold by medicine dealers or by mail at 25 cents a box from the Dr. By Courier Leased Wire. Williams' Medicine Co., Brockville,

Is Expectation of Duke of Devonshire at Opening Of Brandon Winter Fair

Brandon, Manitoba, March 7. Speaking as a farmer to farm big winter fair here vesterday afternoon. Increased production of food stuffs was perhaps the most essential problem before the empire, the governor-general declared. He felt that Western Canada would play an important part in meeting are emergency. He gave unlimited credit to the farmers of the west for what they had done and was sure that they would persevere until the empire was again victoriously at peace.
"I have been interested in agriculture through all my life. It has been a great interest with me. The producing problem is one of great importance for all of us, just now," said His Excellency.
Continuing, the governor-general

said that the empire was now in a state of unprecedented upheaval and that the supply of the food was not only important, but perhaps the most important problem which the empire had to solve.
"There have been many changes in

the method of agriculture since the war," he said. "The changes had been made with the sole object of increasing the food supply. The peo ple of Great Britain had not realized before what a tremendous menace was hanging over the empire." The Duke continued to de clare that whatever combinations or alliances there may be in the future closely united and every component part would be equipped and ready to New York, March 7.—Approxim-ately \$3,200,000 in Anglo-French five per cent bonds will be given to holders of common stock of the Herdo its share in maintaining the com on integrity.
