Two Questions

With so many low-priced so-called anti-skids obtainable, would that great host of motorists pay more for Dunlop "Traction" Tread if they could get its merits elsewhere?

Also, would that other large list of car owners buy "SPECIAL" if tires which somewhat resemble it in appearance resembled it in efficiency?

SPECIAL DUNLOP TRACTION

OBITUARY.

MRS PETER RAFUSE

The death of Mrs Sarah Rafuse took place at Donalda Alberta on May 13th 1918. Deceased was born in Kentville Nova Scotia and was in the 72nd year of her age.

She leaves one brother Andrew Boyle of Kentville, two sons, William Rafuse, Fernie B. C., T.H. Rafuse, Edmonton, Alta., and two daughters Mrs Lillian Wheeler, Medford Mass. and Mrs T.W. Plant Donalda Alta. Mrs Rafuse was in poor health for years and during the past winter she decided to go west with her daughter, Mrs Plant and in hope that the change might benefit her. On her arrival at Edmonton she spent two weeks with her son, Mr. T.H. Rafuse, and then went to the home of Mrs Plant with whom she had spent so many years of her life and here she passed away on the morning of May 12th. May she rest in peace.

THE LIST OF BRITISH CASUALTIES

London, May 25.—The British official casualty lists issued since April 5th, show 15 757 officers, 3,156 dead, yesterday's lists give 180 officers, 47 dead, 7,285 men; 370 dead, 3,650 missing. The regiments suffering are: Royal Fusiliers, King's Royal Rifles, London regiment, Manchester, East Kents, Black Watch, Gordon Highlanders, Royal Field Artillery, Royal Welsh Fusiliers, Sherwood Foresters, Argyll and Sutherland Highlanders. Brigadier-General Arthur Hart Synnot is wounded. Flight commander Viscount Flentworth, only son of the Earl of Limerick, is missing.

ANOTHER VICTORY LOAN IN CANADA

Ottawa, May 30.—The Evening Citizen says:—"There is to be another Canadian Victory loan in the fall, probably in October or November, and Sir Thomas White is already attending to the preliminary organization."

To-day he conferred with the Dominion executive regarding the necessary arrangements and surveyed the situation in a general way. In the coming months details as to terms and so forth will be developed. The amount of the loan is not determined, but it is thought likely that it will be about three hundred millions.

WAR SUMMARY

Germany's great offensive on the western front has been resumed. With only brief artillery preparation two blows have been struck by the Teuton armies, which have been re-organized since disastrous losses were inflicted on them by the French and British during the Picardy and Flanders battles in March and April. One attack was on the line from Voormezele to Loere, southwest of Ypres; the other on a thirty-five mile front from Pinon, north of Soissons to Rheims. This is known as the Aisne sector.

In Flanders the Germans have gained virtually nothing, but further south the Berlin official statement claims that the German Crown prince's troops have carried the whole ridge of the Chemin Des Dames and are now fighting on the Aisne river.

The German attack in Flanders is against positions taken by the French on May 20 when they re-captured Brufoose and Loere and strengthened their line on each side of Hill 44, which they had re-taken a few days before.

NO ALCOHOL IN GIN PILLS

Many have wondered how the famous old household remedy, Gin Pills, derived its name, since obviously there could be no spirits contained in pill form. The origin of Gin Pills can be traced to Gin, which has for a great many years been recognized for its medicinal qualities, particularly its beneficial effects on kidney complaints.

But in the first place there are many who have conscientious objections to taking alcohol, even as a medicine. Secondly, the curative agent of Gin operates in spite of the alcohol, not because the alcohol is a help to the cure.

Investigations were made to determine just what it was in Gin that tended to relieve Rheumatism, Lumbago, Sciatica, Backache, Swollen Joints, Constant Headaches and all disorders arising from the kidneys, bladder and urinary system.

This active agent, separated from the alcohol, was then combined with other diuretics and given the name of Gin Pills, for which a demand has grown greater than for any other medicine in Canada. Gin Pills have a wonderful record of success and anyone applying to the manufacturers can obtain copies of many of the testimonials received.

Gin Pills are sold by all dealers everywhere on a strict guarantee of satisfaction or your money back. They are 50c. a box or 6 boxes for \$2.50. A free sample can be obtained by writing to the National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U.S. address, Na-Dru-Co. Inc., 202 Main St., Buffalo, N.Y.

On the Aisne front the present battle recalls the fearful fighting of last summer along the Chemin des Dames, where for weeks the German crown prince hurled his men against the French position only to see them crushed and beaten. Last year seventy-five divisions were engaged in the German attacks along this line alone.

The attack here is really in the nature of a line-straightening operation. It is being launched from Laon as center and is aimed at the elbow in the line formed during the fighting in Picardy in March and April.

The Potato Gamble.

No man can afford to take long chances now.—The cost is too great.

In 1902 blight destroyed 50,000,000 bushels of potatoes in New York state alone. Last year nearly one half of Maine's crop was lost by the ravages of disease. What will this year bring forth? No one knows and for that reason alone every potato grower must take steps to prevent the loss. Years ago when it cost very little to grow an acre of potatoes there was little incentive to spray. Men preferred to take a chance to gamble on the prospect. But no potato grower can do that now. He invests too much money in the seed, Fertilizer, labour necessary to produce a crop to take any chance on loss which can be prevented. And all potato troubles, blights, and rot can be prevented. Thorough and continued spraying will do it. We handle the Eureka potato sprayer, the best today on the market and of American Manufacture. Also all kinds of spraying material. Let us quote you prices and terms before placing your orders.

WORDS OF PRAISE FOR BABY'S OWN TABLETS

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for her little ones she will use nothing else. The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; cure colds and simple fevers; promote healthful sleep and make teething easy. Concerning them Mrs. Omer LeBleu, Maddington Falls, Que., writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.
