Loss of Appetite

Is commonly gradual; one dish after another is set aside till few remain. These are not eaten with much relish, and are often so light as not to afford

much nourishment.

Loss of appetite is one of the first indications that the system is running lown, and there is nothing else so good tor it as Hoood's Sarsaparilla—the best of all tonics.

A Lamented Death

A. W. Turnbull, youngest son o Robert Turnbull, Esq., Springhul, de parted this life Sept. 21st, 1906. Dr. J. W. Turnbuil, from the At lantic coast, Earnest and Frank, in the legal profession, Regina, all arrived a few hours late to see their dear brother

Mr. Roy Davis of Greenbush this alive. The departed was a very bright, in telligent young man, who bid fair to become a leader in his country, and his loss is sorely felt to day in the old home neighborhood, as he was a worker in his church and Sabbath School Athens.

The Kidneys

When they are weak, torpid, or stagnant, the whole system suffers. Don't neglect them at this time, but heed the warning of the aching back, the bloated face, the sallow complexion, the urinary disorder, and begin treatment at once with

Hood's Sarsaparilla which contains the best and safest curative substances.
