RANDOM SHOTS. THE OLD SPORT TRICKED. He Knew the Sharpers' Game, but

In the days when things were wide

open there was a "brace" faro game on

the other side of Canal street, where

some pretty fat pigeons were frequently plucked. While this was going on a

broken down sport formed the habit

the plunder by simply betting the re-

verse of the victim. The latter, for instance, would bet \$50 one way on the

ace, and the old sport, knowing posi-

tively that the dupe would lose, would

bet \$5 the other way on the same card.

In order to secure the \$50 the dealer

had to let the unwelcome visitor win his little five, and that sort of thing

happened almost every time a fresh

fool was piloted into the establishment.

game regarded this proceeding on the

old sport's part as a most outrageous

invasion of their private rights, equiv-

alent to blackmail. "I call it just the

same as stealing for him to come in

that way when we're skinning a man

and take off a slice," said the main

sharp, "and he really ought to be ar-

rested. We must do something to stop

Accordingly they laid their heads to

gether and evolved a Machiavelian

scheme. A few days later a stranger,

who had all the appearances of a very

verdant planter, was steered into the

he said kindly:

Some have made \$25 to \$30 a day and

others \$200 in a few weeks. But these big catches are only made by those ex-

pert in fishing. The chances are that

a green hand would starve the first

winter if dependent wholly on what

False Teeth of Antiquity; The manufacture and use of false

teeth are undoubtedly of great an-

tiquity. The ancient Egyptians were

no mean dentists. Jawbones of mummies have been found with false teeth

in them, and also with teeth filled with

gold. The ancient Greeks also knew

how to fill teeth with gold; also how to

There is plentiful evidence of skilled

dentistry among the Romans, for many

of the Latin authors have references

to false teeth. In the "Roman Laws of

the Twelve Tables" there are distinct

references to artificial teeth. The first

part of No. 10 forbids useless expense

at funerals in general, but an exception

is permitted by No. 11, which allows that the gold fillings of false teeth or

the gold with which they were bound should be buried or burned with the

As the Old Fashioned Flint Lock Musket is to the Present Perfected Rapid Firing Rifle so Compares Other Kidney Re medies with Dr Pitcher's Backache Kidney of dropping in and securing a share of Tablets.

> The old flint lock often missed fire, and when it did discharge would re-coil with such force the user would often be knocked over; and this will apply to the use of ordinary kidney medicines. They are prepared without sufficient consideration for the other organs, and while relief is being obtained for the kidneys, the stomach or other organs suffer.

or other organs suffer.

When Dr. Pitcher worked out the formula for his Backache Kidney. Tablets, the action of each ingredient used separately was carefully watched, and as one ingredient after another was added, the action in combination was a study which resulted in the perfectly balanced medicine, Dr. Pitcher's Backache Kidney Tablets, the only preparation that has been able to establish itself by depending able to establish itself by depending on local endorsement by people you know. Watch the columns of this paper and you will read scores of statements like the following from Mrs. P. Morgan, Wellington St., east, Chatham, who says:—"For many years I have suffered with backache from kidney trouble and neuralgia; nothing have suffered with backache from kidney trouble and neuralgia; nothing did it any good though I doctored a good deal. The pain was very bad across the small of the back, ran up into the shoulder, and down into the limbs. At times I could hardly move. I went up to A. I. McCall & Co.'s drug store and got a bottle of Dr. Pitcher's Backache Kidney Tablets and they acted splendidly. I took place, and right behind him, as usual, came the old sport, scenting rich picksmall wan the stranger, who appeared to be more than half tipsy, pulled out a huge roll of bills and offered to bet \$1,500 on the turn of a card. The proposition was promptly accepted, and the other fellow, thinking he had the Dr. Pitcher's Backache states, lets and they acted splendidly. I took but the one bottle, and have had no trouble since; this I think fine, as nothing else ever stopped the pain so nothing also ever stopped the pain so chance of his life, immediately put up \$65, which was every cent he had on earth. To his consternation, the plantcompletely. They are very easy to to take and gentle, and I am glad to recommend them to others." er won and he lost. That broke him of the habit and was the last time he ever tried to rob robbers. It turned out later that the planter was a Memphis

The Crowning Production Of a Great Physician.

Paine's Celery Compound The Great Life Renewer and Heilth Giver.

A Noted Physician's Opinion.

Paine's Celery Compound was the crowning production of America's most eminent physician—Professor E. E. Pheips, M. D.

Such a physician could only give what was worthy of his great and elevated character to suffering human ity. His best hours were devoted to the perfecting of what is now! known in millions of homes in Britain, Europe and on this continent as Paine's Celery Compound, nature's food medicine for the nerves, bra'n and blood.

for the nerves, brain and blood.

After our long winter and late spring, a host of people off every age have been left in a weak, languid and depressed condition of health. The nerves are unstrung, the body is emaciated, the blood is stagmant and impure, digestion is faulty and constipation is doing its deadly work.

tion is doing its deadly work.
Your safety, health and future physical hapiness demand the immediate use of Paine's Celery Compound, ate use of Paine's Celery Compound, whose marvellous wirtues are recognized by our ablest physicians, many of whom make personal use of it in their homes. Dr. A. W. K. Newton, writing to the proprietors of Paine's Celery Compound says:

"The formula of Paine's Celery Compound led me to give it a personal trial, and I was much pleased with

al trial, and I was much pleased with the result. I prescribe it for men and women who have no appetite, cannot sleep, and for the weak and rundown this condition, and for disorders of the blood and nerves, it had no equal. It is the best possible remedy to keep up one's strength and energy during the spring and summer months."

TURNERVILLE.
